**Next Level Website Design** Greg Merrilees,2020-03  
Discover what it takes to convert more of your website visitors into hot leads and paying customers in a highly competitive online world in the 2020s decade Nobody wants to come across as a sleazy desperate salesperson Cold calling and discounting is the old way of selling and quite frankly It s the bloody hard way The new way of selling is to have your website do the heavy lifting for you so you can expect more qualified people to be attracted to your business instead of you having to chase them After designed and transforming around 2000 websites landing pages for many businesses including some high profile marketers and brands across a range of industries I realized there is a recurring pattern for success and it s NOT rocket science It all comes down to 3 essential overarching principles that are designed to build trust on your website and if you successfully apply what you learn in this book you will be able to boost your website s conversion rate which ultimately means a boost in your revenue When it comes to your website if it s not designed with the principles you will discover in this book it can have some serious consequences on your business You could have a low amount of new leads coming in a low amount of sales and trampoline like bounce rates because people aren t engaged with your website It takes a lot more than just good looking design to transform your website into a 24 7 marketing machine This book is not about website coding SEO or any that tech stuff Instead this book will show you website design principles and strategies to show you how to attract paying customers to your business without having to Cold Call or Hard Sell If you re a service business eCommerce business SaaS business consultant coach course creator marketing agency or even website design business don t let your website be the reason people don t buy from you Instead read this book to discover what it takes to take your website to the next level

**AI for Beginners** A Wierenga,2024-10-09 AI FOR BEGINNERS A SIMPLE GUIDE TO GROWING YOUR WEBSITE AND BUSINESS By A Wierenga In the rapidly evolving digital landscape AI for Beginners is the essential guide for website owners and entrepreneurs looking to harness the power of artificial intelligence to boost traffic increase conversions and grow their businesses This straightforward accessible guide takes you step by step through the process of integrating AI into your
