Essential Hybrid Work Schedule Ideas For Beginners:

Essentials of Business Research Methods Joe Hair Jr., Michael Page, Niek Brunsveld, Adam Merkle, Natalie Cleton, 2023-07-31 Essentials of Business Research Methods provides an accessible and comprehensive introduction to research methods and analytical techniques for business students. The authors offer a straightforward hands-on approach to the vital managerial process of gathering and using data to make relevant and timely business decisions. Covering both qualitative and quantitative analysis, the book explores critical topics including ethics in business research, privacy matters, data analytics, customer relationship management, how to conduct information gathering activities more effectively in a rapidly changing business environment, and more. This fifth edition has been fully updated throughout, covering emerging technologies such as machine learning and blockchain technology, as well as expanded coverage of secondary data, using examples from around the world. A realistic continuing case used throughout the book, applied research examples, and ethical dilemma mini cases enable upper-level undergraduate and postgraduate students to see how business research information is used in the real world. This comprehensive textbook is supported by a range of online resources, including an instructor's manual, PowerPoint slides, and a test bank.

The Future (R)Evolution of the Office Workspace Claus Sneppen, 2025-03-21 The redefined meaning of the office workplace for knowledge workers that is currently taking place impacts all workplace actors to different extents. There is no exact formula or framework for a successful hybrid working life; thus, society cannot anticipate the future of the hybrid office workplaces, and work life will look like for office work. This means that workplaces need to continuously alter and evolve their workplace models. This book provides workers and managers with a nuanced understanding of the changes that have been realized, are nearing realization, or will drive the transformation of the hybrid workplace going forward. It offers recommendations and a framework to assist organizations to develop optimal hybrid workplace models, focusing on major trends and component shaping this evolution.

EdTech Essentials Monica Burns, 2021-08-25 Note: A newer edition of this title is available. An accessible practical guide to incorporating the 10 essential EdTech skills and strategies in every learning setting. In a world awash in technology, what EdTech skills and strategies should educators focus on to ensure they are making the best use of online spaces for classroom learning? How can they navigate through the overwhelming number of options in digital tools and spaces? How can they guide students in learning best practices? EdTech consultant Monica Burns answers these and other questions in this powerful and reader-friendly guide to incorporating EdTech across all grade levels and subject areas and in both distance learning and face-to-face environments. Readers will gain practical advice on navigating online spaces, curating resources, introducing opportunities for exploring the world, developing collaboration structures, providing time and space to create learning products, assessing students, creating opportunities for sharing, connecting student work to relevant audiences, developing transferable skills, and planning for tech-rich learning experiences. Each chapter explains why the skill or strategy is essential.
