My main area of expertise is financial reporting, which I have done for four years, but I also have a solid background in research and analysis. In addition, I have contributed ideas to the strategic planning team for over a year. I am particularly interested in environmental causes, and I led two major projects in this field recently. My other areas of interest include communications and networking. I speak two other languages: German, which I speak fluently, and Spanish, which is improving. I graduated from Trinity College, Dublin, with a degree in economics. I then went on to do a Master's degree in public policy at University College, London. In my spare time I enjoy blogging. I also enjoy travel writing and I am a keen photographer.
