to get book sales The answer is yes but I do not want just anyone to buy this book I want this book to be bought by people who are serious about earning money with memes

Why I Wrote This Book s Introduction

I wrote this book s introduction to get sales and weed out the people who would be wasting their time if they bought this book I am not like all of the other writers out there I am not desperate for your money This book is not for everybody and I knew this before I even began writing it This is not the book for you if you do not already know how to make memes This book is for people who already have experience in making memes This book is for people who would like to know how to go about earning money with their already established meme creating abilities This book does not teach you how to make a meme This book doesn t take more than a week to read and it isn t expensive at all

This Book Is Cheap

For just the low price of 2.99 you can learn how to earn your first 100 making memes According to CollegeBoard.com the national average for college textbooks is 1,137 per year You purchasing this book will be an inexpensive investment in your future and if you practice the 3 SIMPLE steps in this book it will pay for itself

3 Reasons Why This Book Is So Cheap

The first reason why this book is so cheap is because most people who would be interested in a book like this are millennials Millennials are the poorest generation so far That s why I made this book 2.99 and not 14.99 when I self published it The second reason this book is so cheap is because it is SUPER short Usually when you hear advice that is straight to the point it is short The truth is usually short straight to the point and simple just like this book The third reason why this book is so cheap is because it didn t take a lot of money to write and self publish this book in the first place I don t owe a book publishing company money so I m not about to charge you over 10 for a book like this

What You Are Being Sold

I m not selling you the perfect book because the perfect book doesn t exist no matter how much work I put into it or hire someone else to put into it I m selling you a book with practical easy to understand steps on how to earn your first 100 making memes

QUICK DISCLAIMER

Before I get into the 3 steps that will be taught to you I want to let you know a few things This is not a scam No the steps will not be easy but they are not hard either The 3 steps are SIMPLE If you aren t satisfied you can get your money back Usually when people do research on how to create an extra stream of income they come across things like affiliate marketing and making YouTube videos This book is most likely the first book to ever teach people how to turn their passion for memes into an additional stream of income

The 3 Simple Steps

You will get to learn from the mistakes I made along the way to earning my first 100 making memes These 3 simple steps will give you the knowledge you need to earn your first 100 making memes Step one will be content marketing your original memes You will be informed about the importance of creating content regularly for Instagram.com and why you should content market on Instagram.com Step two will be setting up your meme making business online You will be told to set up shop on fiverr.com first and why you should start on fiverr.com Step three will be getting paid This is pretty self explanatory Don t expect this step to be very long I m very sure this step will be your favorite Am I right Don t Cheat The System The most challenging steps are steps one and two Step three is the part I am sure you will like the most Unfortunately if you do not do steps one

and two you will not be able to start step three so do not try to cheat this system You will only be wasting your own time Can I Earn More Than 100 Making Memes I know what you re probably thinking and the answer is yes You can earn more than 100 making memes I have done it before There is no limit to how much money you can earn making memes What this book focuses on the most is teaching you and everyone else who buys this book how to earn their FIRST 100 dollars making memes As long as you have a talent for making memes and self efficacy you will be able to earn your first 100 making memes Elephant In The Room Now let s address the elephant in the room You most likely doubt I earned 100 making memes and that is okay It is perfectly normal to be skeptical If I were you I would be suspicious too I have proof that I earned 100 making memes Just visit the following web address <https://tinyurl.com/y972bmoo> The elephant in the room has finally been addressed and now it is time for you to take action QUICK SUMMARY STEP ONE BUILD CREDIBILITY THROUGH CONTENT MARKETING STEP TWO EARN YOUR FIRST 100 BY STARTING A BUSINESS STEP THREE COLLECT YOUR REVENUE AND GET PAID ACT NOW Do you or do you not want to know how to earn your first 100 making memes Are you already experienced in creating funny memes regularly for free and would like to know how to earn money doing it If you answered yes to these 2 questions above then do yourself a huge favor and buy this inexpensive book This book can be yours today for just 2.99 You can t find a brand new college textbook being sold for 2.99 but you can own this one for 2.99 right now If you want 3 practical pieces of advice that will help you create an extra stream of income making memes this is the book you need to be buying right now Most authors would charge 2 to 3 times more than 2.99 This book is practically a steal Act now Buy How To Earn Your First 100 Making Memes In 3 Simple Steps for 2.99 today **Freelance Forever** Marietta Whittlesey,1982 **Own Your Space** Alexandra Gater,2023-04-25 DIY YouTuber Alexandra Gater shows you how to creatively inexpensively and beautifully decorate your space in this inviting and accessible definitive guide to decor ideas for renters and new homeowners alike Alexandra Gater represents a new generation of apartment therapists who are teaching people how to make a great home at any size with any budget Her new book is an absolute gift that is not only beautiful and approachable it s so comprehensive you ll read it refer to it and keep it under your pillow at night Maxwell Ryan founder of Apartment Therapy Have you ever wondered what to do about the Renter Beige walls in your apartment Have you ever thought you d wait to upgrade that sofa from your grandparents basement until you had a place of your own and then found yourself spiraling with questions like Will I ever own a house Have you bought a new home but now have little money left over to spruce it up And how can you make those outdated appliances and cabinets in your kitchen look better without breaking your budget Alexandra Gater is here to help Through her online home decorating series the YouTube star and decor expert has taught millions how to transform their spaces into the homes of their dreams Whether struggling with the limits of living in a rental how do you hang things without putting holes in the wall or living in a new home how can you make that outdated backsplash work for you Alexandra has the answer In Own Your Space she offers tips and tricks covering
