Trends in Youth Development Peter L. Benson, Karen Johnson Pittman, 2012-12-06 MOVING THE YOUTH DEVELOPMENT MESSAGE TURNING A VAGUE IDEA INTO A MORAL IMPERATIVE Peter L Benson and Karen Pittman THE CONTAGION OF AN IDEA In the past fifteen years countless programs agencies funding initiatives professionals and volunteers have embraced the term youth development Linked more by shared passion than by formal membership or credentials these people and places have contributed to a wave of energy and activity not unlike that of a social movement with a multitude of people on the ground connecting to a set of ideas that give sustenance support and value to increasingly innovative efforts to build competent successful and healthy youth There are several particularly interesting dimensions to this movement First the youth development idea has the potential to draw people and organizations together across many sectors Conferences and initiatives using youth development language attract increasingly eclectic audiences bringing together national youth organizations schools city county and state agencies police and juvenile justice workers clergy and committed citizens Perhaps embedded in the youth development idea is a philosophy or a way that has created an intellectual and or spiritual home for actors across many settings However this happens it is clear that one of the powerful social consequences of the youth development idea is a connecting of the dots the weaving within and across city county state and of a tapestry of new relationships

The Changing Adolescent Experience Jeylan T. Mortimer, Reed W. Larson, 2002-09-05 The path adolescents take from childhood to adulthood is a product of social economic political and technological forces These forces may facilitate youth's preparation to become healthy adults or they may leave youth unprepared for adulthood Knowledgeable projections are vital in shaping the agenda for research for alerting educators policy makers and practitioners to new issues and for formulating thoughtful responses to emerging dilemmas This book focuses upon the future of adolescence in postindustrial societies The authors identify some ominous societal changes that will affect youth unstable job markets competition for public resources due to an aging population and widening income gaps between information workers and low skill workers But they also observe opportunities created by information technology innovations in health service delivery and criminal justice rehabilitation and the resourcefulness of a new generation This volume examines these and other macro structural changes that will impact adolescents lives and their futures as adults Youth and Jobs Douglas Sharp Ward, 1955 **The SAGE Encyclopedia of Out-of-School Learning** Kylie Peppler, 2017-04-11 The SAGE Encyclopedia of Out of School Learning documents what the best research has revealed about out of school learning what facilitates or hampers it where it takes place most effectively how we can encourage it to develop talents and strengthen communities and why it matters Key features include Approximately 260 articles organized A to Z in 2 volumes available in a choice of electronic or print formats Signed articles specially commissioned for this work and authored by key figures in the field conclude with Cross References and Further Readings to guide students to the next step in a research
