Women and Employment Jacqueline L. Scott, Shirley Dex, Heather Joshi, 2009-01-01 An informative and important volume Johanna Kumlin *European Sociological Review* This collection further contributes to our awareness of the complicated intersection of work and family life for women and men and to a few of the socio economic factors which serve as impediments to its synchronization It is well written carefully researched and rather detailed in its analysis Susan Cody Sex Roles This excellent collection deserves to be read and from cover to cover all the contributions focus on the UK situation over the past 25 years although some offer comparative exemplars and analysis This national focus makes this collection an essential resource for those working in the UK and Europe But the general empirical excellence of the collection as well as the theoretical insights generated in some of the chapters make this an essential collection for anyone interested in gender and work Lesley Patterson *Gender in Management An International Journal* There cannot be a richer collection than this on the topic of women their employment conditions and how they balance home and work life a valuable resource that can be returned to for hard statistics and proven solutions you can use in your own policy creation Equality and Diversity This collection will be an invaluable resource for anyone concerned with changes in women s employment over the last twenty five years Authoritative and up to date it is simultaneously wide ranging and focused analytical and policy oriented The editors have brought together the knowledge of many renowned experts to reflect on labour market developments and gendered employment Attention to transitions across the life course is a particularly welcome feature of the book as is the linking of employment studies with family research Miriam Glucksmann University of Essex UK How is women s employment shaped by family and domestic responsibilities This

book written by leading experts in the field examines twenty five years of change in women s employment and addresses the challenges facing women today The authors offer an innovative analysis of how global changes including new migration processes educational expansion transnational labour markets technological advances and the global economy affect women s labour market experiences They tackle issues relevant for future change including gender inequalities and ethnic diversities and confront contentious questions such as what is meant by work life balance The book provides new empirical research that both advances our understanding of the challenges posed by women s employment in our changing society and draws out the policy lessons that could improve economic and social wellbeing Providing dynamic analysis of employment family inter relationships Women and Employment will be of great relevance to social scientists and academics interested in employment and family as well as policymakers concerned with changing women s employment **Being Together,**

Working Apart Barbara Schneider,Linda J. Waite,2005-02-24 Despite the fact that most parents are employed how work affects the lives and well being of parents and their children remains relatively unexplored A recent study of 500 dual career families in 8 communities across the US provides a holistic view of the complexities of work and family life experienced by parents and their children Drawing on the study this book explores how dual earner families cope with the stresses and demands of balancing work and family life whether the time parents spend working is negatively affecting their children how mothers feel managing both work and household responsibilities and what role fathers are taking in family life In answering these questions the authors argue for a new balance between work and family life The book with its rich data findings and commentary from an interdisciplinary group of scholars provides a valuable resource for academics policy makers and working parents **News , The Survey ,1929 100+ REAL Work from Home Jobs, Gigs, Careers, and Side**

Hustles that You Can Do RIGHT NOW Rebecca Hurst,2020-06-08 Yes you really can make an actual income working from home Under the recent advice of social distancing and stay safe stay at home the advantage in today s workforce lies with those people who are able to do real work from home Because let s face it this will not be the only instance in our lifetime where we will encounter the need to lock down and shelter in place In my book I show you over 100 ways you can have a successful career working from the comfort of your own home My Work from Home book addresses all skill levels and touches on nearly every sector of gainful employment that can be performed remotely From highly skilled medical professionals to someone just now entering the workforce with little to no prior experience there s a job for you If you re just looking to make some extra side income or work at your own pace this book is for you too Many positions can be tailored to your preferred schedule what your expertise is and what your level of comfort with technology might be I took the guesswork out of the equation for you Other books blogs and articles will direct you to the link to find the job and then you have to figure out if it is for you The goal of my book is to cut out some of that guesswork for you by supplying you with as much information as possible so that you can start your own process without having to wade through all the internet muck I have

done the heavy lifting for you You will find at least one chapter that seems like it was written especially for you in your situation This book is set up in chapters divided by how you would go about finding a job you love The first part is about finding what work you might want to do establishing what you re good at and general advice about job hunting and working from home The bulk of the book is dedicated to practical guidance for finding that job in the real world You can peruse the types of jobs that can be done remotely and how you might go about performing the job you love Conversely I have provided you with a listing of over 60 companies who are actively hiring remote work from home workers Out of the 100 ways to work from home you re sure to find something you never thought of doing Finally I wrap up with addressing places to find freelance or gig work and suggesting some job opportunities you might take advantage of working from your house as a base of operations While these jobs might not be done completely at home you can still work out of your house without having to step foot in a cooperate office It s better in the eBook format I would highly recommend purchasing or gifting this book in the Kindle eBook format because it is filled to the brim with helpful links that are clickable when read in the eBook format If you have a Kindle Unlimited membership you can also get this title for FREE for a limited time so be sure to click Read for Free before this title is removed from Kindle Unlimited
