Social Media for Communication and Instruction in Academic Libraries Joe, Jennifer, Knight, Elisabeth, 2019-03-01. The subject of the use of social media has renewed interest because of the impact that it had on the last U.S. presidential election and the impact that social media networks will have on subsequent elections. As guides in the information world, it is thus important that librarians be well-versed in social media. This has called attention to the relevance and urgency of incorporating social media use into the academic library, both as a marketing tool and as an instruction tool. *Social Media for Communication and Instruction in Academic Libraries* is an essential reference source that offers guidance in using social media in academic libraries and in instruction, with a special emphasis on assessment and evidence-based practice. Featuring research on topics such as digital libraries, marketing, and web analytics, this book is ideally designed for librarians, administrators, educators, managers, information technology specialists, professionals, researchers, and students.

A Practical Guide to Level Design Benjamin Bauer, 2023-02-28. Written by an AAA industry expert with over 20 years of experience, this book offers comprehensive coverage of the practical skills that all successful level designers need to have. It covers everything from practical production skills to the social and soft skills required to thrive in the gaming industry. This book begins with a theoretical and abstract approach that sets a common language for the later hard-skill applications and practical examples. These later chapters cover a wealth of practical skills for use during the concept phase while creating layouts, scripting, and working with AI. This book includes essential chapters on topics such as social skills, soft skills, world building, level design, direction, production, as well as how to gain employment in the industry. This book will be of great interest to all level designers, content leads, and directors looking to enhance their skillset. It will also appeal to students of level and game design looking for tips on how to break into the industry.

The Sustainability Handbook, Volume 1 Mark Von Rosing, 2024-11-30. The Sustainability Handbook Volume 1: The Body of Knowledge around Substantial Sustainability Innovation provides a comprehensive and holistic understanding of sustainability, bridging the gap between academic theory and business practices.
