Panic Now? Ira Allen, 2024-06-11 When was the best time to panic about the varying crises facing humanity Twenty years ago But the next best time Now In line with other considerations of what we have come to call the Anthropocene in *Panic Now Tools for Humanizing* Ira J Allen takes the reader on a journey through difficult feelings about the various crises facing humanity and from there to new ways of facing impending dread with a sense of empowerment The interrelated threats of climate collapse an artificial intelligence revolution a sixth mass extinction a novel chemical crisis and more are all brought to us by what Allen describes as CaCaCo the carbon capitalism colonialism assemblage After suggesting that it is absolutely time to panic he asks how do we manage to panic productively Admitting there is no one script for everyone to follow the author traces how we might adopt attitudes and practices that allow us to move through this liminal space between fear and action collectively This book is a master class in how to create better more humanizing outcomes by confronting the panic that goes along with the realization that the world as we know it is ending Rather than remaining mentally emotionally imaginatively and practically stuck in this historical condition Allen invites us to a very particular action oriented mode of panic which can indeed incite our imaginations to move from panic to empowerment

The Perennials Mauro F. Guillén, 2023-08-22 Get the best from accelerating social change with the new book from the bestselling author of *2030* and acclaimed thought leader *Kirkus* Mauro Guillén Adam Grant praises how the book invites us to rethink our careers our families and our future plans Find out why business leaders and bestselling authors around the world are calling the book sharply relevant and necessary William P. Lauder insightful and deeply researched Richard Florida and A must read Mohammed A El Erian In today's world the acceleration of megatrends increasing longevity and the explosion of technology among many others are transforming life as we now know it In *The Perennials* bestselling author of *2030* Mauro Guillén unpacks a sweeping societal shift triggered by

demographic and technological transformation Guill n argues that outmoded terms like Boomers Gen X Millennials and Gen Z have long been used to pigeonhole us into rigid categories and life stages artificially preventing people from reaching their full potential A new postgenerational workforce known as perennials individuals who are not pitted against each other either by their age or experience makes it possible to liberate scores of people from the constraints of the sequential model of life and level the playing field so that everyone has a chance at living a rewarding life Guill n unveils how this generational revolution will impact young people just entering the workforce as well as those who are living and working longer This multigenerational revolution is already happening and Mauro Guill n identifies the specific cultural organizational and policy changes that need to be made in order to switch to a new template and usher in a new era of innovation powered by the perennials

The Perennials Mauro Guillen,2023-08-22 Will open your mind to your own future and show you a new world of adventure ARTHUR C BROOKS For the first time in human history eight defined generations live together side by side from Alphas to the Greatest Generation by way of Boomers Xennials Millennials and more However these definitions have so often been used to pigeonhole us into rigid categories all underpinned by the restrictive four stages of life model of play study work retirement This means that potential is left untapped on a societal level also individuals are tied into a trajectory that minimises opportunity and fulfilment In The Perennials Mauro Guill n unpacks the megatrends such as increasing longevity and the explosion of technology among others that are transforming life as we know it How within this milieu a new group of perennials must emerge individuals who cannot be so easily defined by the pervasive metrics of age and experience or by simple inter generational conflict These post generational perennials offer the promise of liberating us from the constraints of the accepted four stages of life model therefore allowing everyone the chance of living a much more rewarding and fulfilling life Guill n proceeds to unveil how this revolution will impact young people just entering the world of work as well as those who are living and working longer This multigenerational revolution is already happening and Mauro Guill n identifies how we can usher in a new era of innovation in almost every facet of life and work powered by the perennials
