**The Ideas That Rule Us** Chris Grocott, 2024-10-07 It may seem surprising that the economic choices we make in society are often determined by ideas rather than scientific evidence or financial resources The consequences of such choices are often stark such as the austerity policies which eroded our ability to withstand crises like the Covid 19 pandemic This book explores the ideas that rule how our economy works how government operates and how workers organise A small number of historical economic ideas remain stubbornly prevalent and powerful today However they are largely based on questionable assumptions about human behaviour and unproven theoretical ideas about economics They were founded within the realms of philosophy and politics rather than hard science This book illustrates how politicians have selectively borrowed convenient economic concepts in order to promote and defend policies which entrench and escalate inequalities and other structural problems This accessible book invites readers to question the ideas that rule us and explore the challenges facing society It invites progressive thought about how we need to urgently organise action for the future

*Producing and Directing the*

*Short Film and Video* David K. Irving, Peter W. Rea, 2013-03-20 Producing and Directing the Short Film and Video is the definitive book on the subject for beginning filmmakers and students The book clearly illustrates all of the steps involved in preproduction production postproduction and distribution Its unique two fold approach looks at filmmaking from the perspectives of both producer and director and explains how their separate energies must combine to create a successful short film or video from script to final product This guide offers extensive examples from award winning shorts and includes insightful quotes from the filmmakers themselves describing the problems they encountered and how they solved them The companion website contains useful forms and information on grants and financing sources distributors film and video festivals film schools internet sources for short works and professional associations      **Freedom of Expression in the Marketplace of Ideas** Douglas M. Fraleigh, Joseph S. Tuman, 2010-05-19 A comprehensive guide to effective participation in the public debate about our most indispensable right freedom of expression Encouraging readers to think critically about freedom of speech and expression and the diverse critical perspectives that challenge the existing state of the law this text provides a comprehensive analysis of the historical and legal contexts of the First Amendment from its early foundations all the way to censorship on the Internet Throughout the book authors Douglas M Fraleigh and Joseph S Tuman use the Marketplace of Ideas metaphor to help readers visualize a world where the exchange of ideas is relatively unrestrained and self monitored The text provides students with the opportunity to read significant excerpts of landmark decisions and to think critically about the issues and controversies raised in these cases Students will appreciate the treatment of contemporary issues including free speech in a post 9 11 world free expression in cyberspace and First Amendment rights on college campuses Features Demystifies free speech law encouraging readers to grapple with the complexities of significant ethical and legal issues Sparks student interest in big picture issues while simultaneously covering important foundational material including incitement fighting words true threats obscenity indecency child pornography hate speech time place and manner restrictions symbolic expression restrictions on the Internet and terrorism Includes significant excerpts from landmark freedom of expression cases including concurring or dissenting opinions where applicable to help students become active learners of free expression rights Offers critical analysis and alternative perspectives on free expression doctrines to demonstrate that existing doctrine is not necessarily ideal or immutable Includes a global perspective on free expression including a chapter on international and comparative perspectives that helps students see how the values of different cultures influence judicial decisions      **Essentials of Sociology** George Ritzer, 2019-11-08 The author is a proud sponsor of the 2020 SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Join the conversation with one of sociology s best known thinkers In the fully updated Fourth Edition of Essentials to Sociology bestselling author George Ritzer shows students the relevance of sociology to their lives Adapted from Ritzer s Introduction to Sociology this text provides students with a rock

solid foundation in a shorter and more streamlined format Students will learn about traditional sociological concepts and theories as well as some of the most compelling contemporary social phenomena globalization consumer culture the Internet and the McDonaldization of society Packed with current examples and the latest research of how public sociologists are engaging with the critical issues of today this new edition encourages students to apply a sociological perspective to their worldview empowering them to participate in a global conversation about current social problems Digital Option Courseware SAGE Vantage is an intuitive digital platform that delivers this text s content and course materials in a learning experience that offers auto graded assignments and interactive multimedia tools all carefully designed to ignite student engagement and drive critical thinking Built with you and your students in mind it offers simple course set up and enables students to better prepare for class Assignable Video with Assessment Assignable video available with SAGE Vantage is tied to learning objectives and curated exclusively for this text to bring concepts to life LMS Cartridge formerly known as SAGE Coursepacks Import this title s instructor resources into your school s learning management system LMS and save time Don t use an LMS You can still access all of the same online resources for this title via the password protected Instructor Resource Site SAGE Lecture Spark Designed to save you time and ignite student engagement these free weekly lecture launchers focus on current event topics tied to key concepts in Sociology

*Social Media in the Changing Mathematics Classroom* Johann Engelbrecht,Greg Oates,Marcelo de Carvalho Borba,2025-04-16 This edited volume gathers contributions from international scholars focusing on social media s role and impact on mathematics education Social media s integration into pedagogical strategies from social networking sites to video sharing platforms offers the opportunity to enhance learning by fostering connectivity and engagement among students ultimately improving mathematical understanding in educational settings This text aims to provide guidance on the facilitation of peer learning and collaboration as well as highlighting the necessary shift in traditional methods to include cyber assistance in the learning process The book discusses how social media aligns with social constructivist theories of learning its consistency with the process of developing students into independent learners and provides means to ensuring educators remain relevant and connected to students preferred modes of learning Challenges and benefits of the use of social media tools in teaching are also detailed Examining the potential for effective integration of social media in the classroom this book is a valuable resource for educators practitioners and researchers interested in mathematics education
