Claude D'Val Morgan, 2023-05-30: The founder of The Fort Institute shares his time-tested assessment and proven strategies to help you build your communication strengths and develop Communication Intelligence™. CQ Now more than ever, Communication Intelligence is essential for workers at all levels. The good news is that you can learn to develop and master this vital competency. If you're interested in being your best through effective communication, that's exactly what you will find in the pages of Communication Intelligence. With more than four decades of study, research, and coaching in the field, C. D. Hoop Morgan III has built on the original premise of The Fort Institute: That assessing an individual's communication style should start with a focus on their strengths, not their weaknesses. Communication Intelligence guides you to identify your unique strengths based on the Fort Communication Style Profile and will help you discover your personalized communication strengths, the first step on the road to Communication Intelligence™ mastery. How you're currently adapting in your workspace and how you're most likely coming across to others. How to understand others' communication style preferences and strengths to communicate even more effectively and more. Through the pages of this book, you learn how to adapt and understand how others perceive you while being introduced to the 10 CQ essential attributes and dozens of strategies and tips to build on your strengths to enhance your Communication Intelligence™. Journal of Architectural and Planning Research, 2003. *The Remote Worker's Guide to Time Management*. Pilar Orti, Sam Byte, 2024-03-14: Time Management for Remote Workers tackles the distinct productivity obstacles and work-life challenges faced by the growing number of professionals working outside of traditional office environments. While acknowledging the flexibility that remote work offers, self-awareness and structure are also key ingredients for success when managing your own time. This book rejects a one-size-fits-all approach. Packed with reflective questions and frameworks for self-analysis, Time Management for Remote Workers will help you develop personalized solutions attuned to your unique work style, habits, and needs. Whether you're a freelancer navigating your own schedule, a remote employee juggling work and home life, or a member of a distributed team working from third spaces, this book is designed to be your companion in creating a balanced, efficient, and fulfilling remote work experience. It's a guide that acknowledges the diversity in work styles and preferences, encouraging you to carve out your own path in the evolving world.
