Felstead,2022-01-20 The coronavirus pandemic forced work back into the home on a massive scale The long held belief that work and home are separate spheres of economic life was turned on its head overnight Many employees were new to this way of working and many employers had to manage a disparate workforce for the first time This book reviews what impact this shift had on the lives of millions of employees the organisations which employ them and the societies in which they live It also looks to a future in which more work is carried out remotely at home in the local caf restaurant or bar or while moving from place to place The book synthesises the existing evidence in an accessible and easy to read way It will appeal to all those who want a quick and concise introduction to the major themes associated with remote and hybrid working This will include teachers lecturers students academics and policy makers as well as those who have experienced the challenges and benefits of homeworking first hand *Multigenerational Communication in Organizations* Michael G. Strawser,Stephanie A.

Smith,Bridget Rubenking,2021-05-10 Multigenerational Communication in Organizations explores generational differences in the changing workplace from a communication perspective Starting from the reality that a workplace can contain up to five different generations these chapters examine topics like generational perceptions on the job search process organizational culture organizational identification organizational crises the dark side of workplace communication remote working and future challenges Outlines of best practices and suggestions for application are provided based on the most recent data and corresponding literature The authors also develop a data forward understanding of Generation Z in context This book is ideal for both scholars and practitioners in organizational communication and management as well as for workplace managers and supervisors **Handbook of Research on Remote Work and Worker Well-Being in the Post-COVID-19 Era**

Wheatley, Daniel,Hardill, Irene,Buglass, Sarah,2021-04-16 With the introduction of policies to combat COVID 19 far greater

numbers of employees across the globe including those with limited job autonomy have moved to undertake their entire job at home Although challenging in the current climate embracing these flexible modes of work such as working at home including relevant investment in technology to enable this will not only deliver potential organizational benefits but also increase the adaptability of the labor market in the short and longer terms Although perhaps not the central concern of many in the current climate good home based work is achievable and perhaps even a solution to the current work based dilemma created by COVID 19 and should be a common goal for individuals organizations and society Research also has shifted to focus on the routines of workers organizational performance and well being of companies and their employees along with reflections on the ways in which these developments may influence and alter the nature of paid work into the post COVID 19 era The Handbook of Research on Remote Work and Worker Well Being in the Post COVID 19 Era focuses on the rapid expansion of remote working in response to the global COVID 19 pandemic and the impacts it has had on both employees and businesses The content of the book progresses understanding and raises awareness of the benefits and challenges faced by large scale movements to remote working considering the wide array of different ways in which the large scale movement to remote working is impacting working lives and the economy This book covers how different fields of work are responding and implementing remote work along with providing a presentation of how work occurs in digital spaces and the impacts on different topics such as gender dynamics and virtual togetherness It is an ideal reference book for HR professionals business managers executives entrepreneurs policymakers researchers students practitioners academicians and business professionals interested in the latest research on remote working and its impacts     Exploring Management John R.
