Proven Techniques for Transforming Your Thinking from Self Sabotage to Self Improvement **Radical Reporting** Sara I.
James, 2025-01-31 If I were giving out an award for book of the year for internal audit professionals I would certainly award it
to her outstanding manuscript Radical Reporting Writing Better Audit Risk Compliance and Information Security Reports
Richard Chambers Former President and CEO The Institute of Internal Auditors Most people dread writing reports they also
dread reading reports What they don't realize is that the techniques that make writing more readable make it more powerful
This is especially relevant for professionals in areas such as audit risk compliance and information security This small volume
provides the tools and techniques needed to improve reports It does so through addressing crucial concepts all too often
overlooked in the familiar rush to perform tasks complete projects and meet deadlines These concepts the role of culture in
communication the link between logic and language the importance of organizing thoughts before writing and how to achieve
clarity may seem academic or theoretical They're not Unless writers understand their own thoughts actions and objectives
they cannot hope to communicate them at all let alone clearly This second edition develops these points with additional
material on critical thinking as well as the use of AI in reporting **Law Librarianship Practice** Ellyssa Kroski, 2025-07-10
This ground breaking new legal librarianship book serves as an invaluable resource for practicing law librarians who want to
be at the forefront of information technology and law libraries Law librarianship is a constantly evolving field that has seen
major shifts in practice over the past several years including the post pandemic trend towards remote and hybrid work the
increased prominence of virtual services the outsourcing of library staff burgeoning cybersecurity risks and the advent of
