**The European Artificial Intelligence Act** Vera Lúcia Raposo,2025-10-27 The legal and regulatory landscape for artificial intelligence is shifting and this is the book that will equip you to navigate it with clarity and authority Gathering contributions from leading experts in the field this edited volume provides one of the first in depth examinations of the EU Artificial Intelligence Act AI Act in its final form It is not a mere commentary Rather it delivers a critical and structured analysis of how the AI Act will reconfigure the governance of digital technologies in Europe and beyond The chapters engage closely with the legal text unpacking its architecture regulatory logic and underlying normative choices Key elements of the framework ranging from high risk systems and prohibited practices to conformity assessments and the institutional role of national authorities are examined in detail with an eye to both doctrinal coherence and regulatory practice Importantly the volume situates the AI Act within the broader EU legal landscape exploring its intersection with instruments such as the General Data Protection Regulation the Medical Devices Regulation and other sector specific regimes In doing so it exposes synergies tensions and unresolved questions that will shape implementation and enforcement The analysis is not confined to the European context Dedicated chapters on the

approaches adopted in non EU jurisdictions provide a comparative dimension highlighting both shared concerns and diverging regulatory philosophies The result is a richer understanding of where global AI governance may be heading and how fragmented or coordinated it might become Designed for legal scholars practitioners regulators and policy experts this book is more than a reference it is an indispensable guide to the law that will define Europe s approach to artificial intelligence for years to come

**Radical Reporting** Sara I. James,2025-01-31 If I were giving out an award for book of the year for internal audit professionals I would certainly award it to her outstanding manuscript *Radical Reporting Writing Better Audit Risk Compliance and Information Security Reports* Richard Chambers Former President and CEO The Institute of Internal Auditors Most people dread writing reports they also dread reading reports What they don t realize is that the techniques that make writing more readable make it more powerful This is especially relevant for professionals in areas such as audit risk compliance and information security This small volume provides the tools and techniques needed to improve reports It does so through addressing crucial concepts all too often overlooked in the familiar rush to perform tasks complete projects and meet deadlines These concepts the role of culture in communication the link between logic and language the importance of organizing thoughts before writing and how to achieve clarity may seem academic or theoretical They re not Unless writers understand their own thoughts actions and objectives they cannot hope to communicate them at all let alone clearly This second edition develops these points with additional material on critical thinking as well as the use of AI in reporting

James Baldwin and the American Schoolhouse Carl A. Grant,2021-04-28 This book written for teacher educators teachers and admirers of James Baldwin employs his essays and speeches to discuss how the effects of race and racism enter the souls of African American students and become attached and difficult to dislodge Yet his essays also provide educators and students with purpose meaning and suggestions for how to stand up against racism develop an authentic self and fight oppression Whereas this book takes advantage of the full body of Baldwin s work fiction nonfiction interviews lectures speeches and letters its foundation is three speeches James Baldwin gave in the 1960s on the education of African American children and African American and European American race relations in the United States The purpose of education defying myths freedom willful ignorance and developing identity are discussed through a Baldwinian lens African American and European American teachers are encouraged to Go for Broke as this book explores the important role Baldwin s work can play in schools and universities

Capitalism and Economic Crime in Africa Jörg Wiegratz,2024-06-21 This book offers a comprehensive analysis of economic crimes and market irregularities including matters of trickery parallel economy illicit trade economies of violence and criminalisation of the poor in neoliberal Africa It investigates economic crime as a phenomenon of neoliberal reform and transformation and it unpacks crime as a societal and particularly as a political economic phenomenon under capitalism The book brings together a collection of research articles briefings and updated blog posts that were published over a period of nearly 40 years 1986 2023 in the acclaimed journal *Review of African Political*

Economy ROAPE and on its website roape net Featuring contributions from leading experts in the field including a foreword by Yusuf K Serunkuma and an afterword by Laureen Snider this volume explores what these crimes have to do with and can tell us about state business relations regulation capitalist transformation and the corporation on the continent shedding light on the co production of the crimes by a range of actors from the realms of business politics state and international development including major reform advocates such as international financial institutions IFIs and other donors It responds to the imperative to advance the analysis of the link between capitalism and crime in Africa and to locate capitalism more centrally in the analysis of economic crimes as more African countries move from being societies with capitalism to capitalist societies Illustrating the relevance of African countries to debates in criminology corporate crime state crime crimes of the powerful and illegality this volume engages with and mobilises a variety of literatures to analyse economic crimes as phenomena of global and local capitalism and provides readers from academia government business media civil society and education a striking source of information and analysis
