Hey, here is the solution that you can refer for this issue.

Try these solutions, whether or not your Mac has signs of power:

- Press and hold the power button on your Mac for 10 seconds, then press it again.
- Press the System Management Controller (SMC).
- Make sure that your display's brightness is turned up. Mac notebook computers have a brightness up key on the built-in keyboard.

Here's the source that this information was derived from, for your reference.
