America vs. Americans Eric Wade, 2024-02-06 In America vs Americans Eric Wade presents American Laborism a revolutionary new economic system where the greatest commodity isn't cash it's work Capitalism is broken Despite its successes capitalism gives us the largest wealth gap in American history failing Social Security a weak currency and a looming threat of AI destroying our workforce We need a new system one built around people rather than capital A system that values each person's unique contribution ingenuity and hard work their labor A system in which the greatest commodity isn't cash it's work And a system in which Americans at every level of society and government are working together We need American Laborism a revolutionary new system that presents a workable low tax form of capitalism for those who want it and a dignified healthy happy and fulfilled life for everyone else Under American Laborism if you're happy with the current capitalist system great Carry on but you'll get to do it with a smaller government fewer regulations better educated employees and lower taxes And if capitalism hasn't worked out as well for you you get access to unlimited free education and training guaranteed housing and food and a sound asset backed currency Everybody wins American Laborism isn't just a replacement for capitalism It's an upgrade Every American has the right to live a life of dignity to contribute and to ensure that their basic needs are respected by their society American Laborism can improve the lives of every American by bringing the least among us up without bringing anyone else down It's time to heal our nation It's time for American Laborism
