Whether you re a solopreneur content creator or just getting started it s time to let AI work for you **Radical Reporting**

Sara I. James,2025-01-31 If I were giving out an award for book of the year for internal audit professionals I would certainly award it to her outstanding manuscript *Radical Reporting Writing Better Audit Risk Compliance and Information Security Reports* Richard Chambers Former President and CEO The Institute of Internal Auditors Most people dread writing reports they also dread reading reports What they don t realize is that the techniques that make writing more readable make it more powerful This is especially relevant for professionals in areas such as audit risk compliance and information security This small volume provides the tools and techniques needed to improve reports It does so through addressing crucial concepts all too often overlooked in the familiar rush to perform tasks complete projects and meet deadlines These concepts the role of culture in communication the link between logic and language the importance of organizing thoughts before writing and how to achieve clarity may seem academic or theoretical They re not Unless writers understand their own thoughts actions and objectives they cannot hope to communicate them at all let alone clearly This second edition develops these points with additional material on critical thinking as well as the use of AI in reporting **The Friend Machine** Victoria

Hetherington,2025-10-14 What does it mean to be alone to be in love and to make love in a world where artificial intelligence is increasingly present In this thought provoking and deeply personal exploration critically acclaimed novelist and nonfiction writer Victoria Hetherington delves into the rapidly evolving world of AI companionship *The Friend Machine* opens with a close examination of our lonesome zeitgeist then weaves together interviews with scientists social critics and other experts to tease out the complex relationships between humans and AI Successive chapters look at the philosophical psychological ethical economic and biological dimensions of this fast evolving technology The book then takes a compassionate and intimate look at the lives of individuals from diverse backgrounds who have sought and found companionship in AI As the lines between humans and machines continue to blur Hetherington finds the nature of our relationships will change in ways we re only beginning to imagine *Sport Marketing* Windy Dees,Patrick Walsh,Chad D. McEvoy,Stephen

McKelvey,2025-09-15 Now in its sixth edition *Sport Marketing* has all the tools students need to step into the ever changing arena of sport marketing Industry examples and practical projects along with case studies and interviews from top sports
