Back to Human Dan Schawbel,2018-11-13

WASHINGTON POST BESTSELLER A Financial Times Book of the Month Back to Human explains how a more socially connected workforce creates greater fulfillment productivity and engagement while preventing burnout and turnover The next generation of leaders must create a workplace where teammates feel genuinely connected engaged and empowered without relying on technology Based on Dan Schawbel s exclusive research studies featuring the perspectives of over 2 000 managers and employees across different age groups Back to Human reveals why virtual communication though vital and useful actually contributes to a stronger sense of isolation at work than ever before How can we change this culture Schawbel offers a self assessment called the Work Connectivity Index that measures the strength of team relationships He also shares exercises examples and activities that readers can work on individually or as a team which will help them increase personal productivity be more collaborative and become more fulfilled at work Back to Human ultimately helps you decide when and how to use technology to build better connections in your work life It is a call to action to leaders across the world to make the workplace a better experience for all of us

The Changed Life: How COVID-19 Affected People's

Psychological Well-Being, Feelings, Thoughts, Behavior, Relations, Language and Communication Ramona Bongelli,Alessandra Fermani,Daniela Raccanello,Rob Hall,Ilaria Riccioni,Morena Muzi,Roberto Burro,2023-10-30 Covid 19 changed the lives of millions of people around the world The effects of the global pandemic on the physical and psychological health of individuals as well as on their behavioral habits relationships and the way they communicate do not seem to be only short or medium term but on the contrary appear to be long lasting In the same way that it is possible to use the term long covid to refer to the long term effects on the physical health of individuals who have contracted the virus so we think it is possible to use the expression psychological long covid to indicate the long term effects on the psychological health of individuals not only of those who have been infected but more generally of all those who have had to cope with social restrictions lockdowns distancing remote work and learning etc imposed by the pandemic At the same time many people demonstrated resilience as the capacity to cope with adverse events through positive adaptation
