Kennedy, Kim Walsh Phillips, 2020-05-19 Everyone's Talking About It But Nobody Knows What They re Talking About Social Media Examiner's 2018 Social Media Marketing Industry Report found that only 10% of respondents strongly agree that they can measure ROI yet half of them will dedicate increased time and money to social media marketing instead of cutting back Millionaire maker Dan S Kennedy joined by marketing strategist Kim Walsh Phillips tells it like it is If you re not focusing on converting traffic into sales you might as well set your money on fire Kennedy and Walsh Phillips open up their playbook and show you how to stop being a social media victim and accepting non monetizable likes and shares as a return on your time money and energy and start using your platform for its true purpose as another channel to reach customers gain leads and make sales Learn how to Turn passive content into an active conversion tool Become a lead magnet with social media profiles that focus on the needs of ideal prospects not the product or service Create raving fans who introduce you to their networks Turn niches into riches laser in on your perfect prospects and ignore the tire kickers Harness the biggest secret in social media offline Discover the principles behind successful marketing campaigns and start making dollars and cents out of your social media strategy Passive Income: Beginners Guide to Passive Income Streams to Gain <u>Financial Freedom</u> James Moore, 2021-09-18 I d Rather go work a 9 to 5 then make passive income while I sleep said no one ever Are you sick of the rat race The 9 to 5 grind How much would it change your life to add an additional 100 200 a week to your life Or how about 1000 Whatever your motivations might be and whether you want to earn millions or just an extra couple hundred a week I m sharing with you my most favorite 7 passive income streams just because of their ease and relative simple startup I think I speak for most people in saying that 99 9% of people truly don t do a job they truly love or

have a passion for but with passive income streams you begin to free up your time which is awesome This means that you re able to spend more time doing the things you love or spending more time with the people that matter the most to you At the end of the day you are the only one that can change your own life and in truth your destiny is in your own hands It s true I ve always had the philosophy that if anyone else can do it then I can to and this applies to all human beings Did you know that your mind is the most powerful asset you have And that in essence anything you think of and have a burning desire for that becomes a very part of your being that you will undoubtedly obtain Forget the old concept of retirement and the rest of the deferred life plan Now there is no need to wait and every reason not to especially in these unpredictable economic times Inside You Will Discover Vending Machines a 30 billion dollar US industry Kindle Publishing making money from books you never wrote Merch by Amazon uploading digital art and letting Amazon do the rest Real Estate Investing a recession proof passive income as an asset Mobile Apps the expediential increase as people move more toward mobile devices now and more than ever Investing in Dividend Stocks there s a reason that most if not all millionaires and billionaires own stocks as a necessity Affiliate Marketing an extremely profitable way of making money that you can do on autopilot This book will familiarize the user with these different avenues as a beginner as well as include some resources I have found and used myself Yes these are the ones that will help you greatly if you decide to choose any given option Remember It s not about ideas It s about making ideas happen So what are you waiting for No B.S.
