

Agincourt

Michael Livingston

Agincourt:

The Battle of Agincourt Anne Curry, 2000 Agincourt Agincourt Know ye not Agincourt So began a ballad of around 1600 Since the event itself 25 October 1415 Agincourt has occupied a special place in both English and French consciousness Some early French writers could not bring themselves to mention it by name using instead descriptions such as the accursed day For the English it was one of the greatest military successes ever and thus was celebrated and commemorated in many forms over the centuries which followed In the First World War there were stories of angelic Agincourt bowmen giving support and inspiration to the British army Much ink has been spilt on the battle but do we really know Agincourt Many historical works have relied on one or two well known sources or even on Shakespeare Not since Harris Nicolas's *History of the Battle of Agincourt* was published 1827 33 has there been a full attempt to survey the sources This book brings together in translation and with commentary English and French narrative accounts and literary works of the fifteenth century It also traces the treatment of the battle in sixteenth century English histories and in the literary output of amongst others Shakespeare and Drayton After examining how later historians interpreted the battle it concludes with the first full assessment of the extremely rich administrative records which survive for the armies which fought upon Saint Crispin's day

Agincourt Anne Curry, 2015-08-27 From Shakespeare to The Beatles the battle of Agincourt has dominated the cultural landscape as one of the most famous battles in British history Anne Curry seeks to find out how and why the legacy of Agincourt has captured the popular imagination Agincourt 1415 is an exceptionally famous battle one that has generated a huge and enduring cultural legacy in the six hundred years since it was fought Everybody thinks they know what the battle was about Even John Lennon aged 12 wrote a poem and drew a picture headed Agincourt But why and how has Agincourt come to mean so much to so many Why do so many people claim their ancestors served at the battle Is the Agincourt of popular image the real Agincourt or is our idea of the battle simply taken from Shakespeare's famous depiction of it Written by the world's leading expert on the battle this book shows just why it has occupied such a key place in English identity and history in the six centuries since it was fought exploring a cultural legacy that stretches from bowmen to Beatles via Shakespeare Dickens and the First World War Anne Curry first sets the scene illuminating how and why the battle was fought as well as its significance in the wider history of the Hundred Years War She then takes the Agincourt story through the centuries from 1415 to now from the immediate and sometimes surprising responses to it on both sides of the Channel through its reinvention by Shakespeare in *King Henry V* 1599 and the enduring influence of both the play and the film versions of it especially the patriotic Laurence Olivier version of 1944 at the time of the D Day landings in Normandy But the legacy of Agincourt does not begin and end with Shakespeare's play from the eighteenth century onwards on both sides of the Channel and in both the English and French speaking worlds the battle was used as an explanation of national identity giving rise to jingoistic works in print and music It was at this time that it became fashionable for the gentry to identify

themselves with the victory and in the Victorian period the Agincourt archer came to be emphasized as the epitome of English freedom. Indeed even today historians continue to refight the battle.

History of the Battle of Agincourt, and of the Expedition of Henry the Fifth Into France in 1415 Sir Nicholas Harris Nicolas, 1832

Agincourt Juliet Barker, 2010-09-02 Agincourt took place on 25 October 1415 and was a turning point not only in the Hundred Years War between England and France but also in the history of weaponry. Agincourt as it is now is in the Pas de Calais and the French were famously defeated by an army led by Henry V. Henry V's stunning victory revived England's military prestige and greatly strengthened his territorial claims in France. The exhausted English army of about 9 000 men was engaged by 20 000 Frenchmen but the limited space of battle favoured the more compact English forces. The undisciplined charges of the French combined with the exceptional skill of the English archers contributed to a pivotal moment in European warfare. Not more than 1 600 English soldiers died the French probably lost more than 6 000 men. Juliet Barker's shimmeringly brilliant narrative commemorates and analyses a canonical battle in British history.

The Agincourt War Alfred H. Burne, 2014-06-30 Henry V's stunning victory at Agincourt was a pivotal battle of the Hundred Years War reviving England's military fortunes and changing forever the course of European warfare. In this exciting and readable account Colonel Burne recreates the years leading up to Agincourt and its bitter aftermath. He also puts the battle in the perspective of the other important yet less well known engagements of the war such as the battles of Verneuil and Fresnay. As with the battles so with its commanders Henry V is known to all but Colonel Burne gives rightful honour to Talbot Salisbury Bedford Chandos and many others. On the French side he details the parts played by Bertrand du Guesclin and of course Joan of Arc. Colonel Burne's outstanding reconstruction of the war is written for layman and historian alike and conveys the drama that Agincourt and its heroes have always so vividly evoked. This new edition of a classic text includes a new introduction by Anne Curry the world's leading authority on the battle of Agincourt.

Agincourt Michael Livingston, 2023-10-12 SHORTLISTED FOR THE 2024 HISTORICAL WRITERS ASSOCIATION NON FICTION CROWN AWARD It's quite a feat to write an account of England's most famous battle that makes the reader feel like they're experiencing history that is fresh new and exhilarating. Dan Snow. This groundbreaking study by Mike Livingston as featured on History Hit's Agincourt presents a new interpretation of Henry V's great victory. From Shakespeare's band of brothers speech to its appearances in numerous films Agincourt rightfully has a place among a handful of conflicts whose names are immediately recognized around the world. Renowned medieval historian Mike Livingston provides a new look at this famous battle with a foreword by world famous historic novelist Bernard Cornwell. Agincourt takes us back to the original sources including the French battle plan that still survives today to give a new interpretation one that challenges the traditional site of the battlefield itself. It is a thrilling new history that not only rewrites the battle as we know it but also provides fresh insights into the men who fought and died there.

A Brief History of the Battle of Agincourt Christopher Hibbert, 2015-07-27 There can be few military victories so complete or

achieved against such heavy odds as that won by Henry V on 25 October 1415 against Charles VI's army at Agincourt. In the words of one contemporary French chronicler it was the most disgraceful event that had ever happened to the Kingdom of France. Christopher Hibbert's wonderfully concise account draws on the unusual number of contemporary sources available to historians to describe in lucid detail not only what happened but how it happened. His classic account of the crushing defeat of the French at Agincourt combines historical rigour with a vigorous and very readable narrative style. [Agincourt](#) Juliet Barker, 2008-12-02 From a master historian comes an astonishing chronicle of life in medieval Europe and the battle that altered the course of an empire. Although almost six centuries old, the Battle of Agincourt still captivates the imaginations of men and women on both sides of the Atlantic. It has been immortalized in high culture: Shakespeare's *Henry V* and even the *New York Post* prints Henry's battle cry on its editorial page each Memorial Day. It is the classic underdog story in the history of warfare and generations have wondered how the English, outnumbered by the French six to one, could have succeeded so bravely and brilliantly. Drawing upon a wide range of sources, eminent scholar Juliet Barker casts aside the legend and shows us that the truth behind Agincourt is just as exciting, just as fascinating and far more significant. She paints a gripping narrative of the October 1415 clash between outnumbered English archers and heavily armored French knights. But she also takes us beyond the battlefield into palaces and common cottages to bring into vivid focus an entire medieval world in flux. Populated with chivalrous heroes, dastardly spies and a ferocious and bold king, Agincourt is as earthshaking as its subject and confirms Juliet Barker's status as both a historian and a storyteller of the first rank. **The History of the Battle of Agincourt; and of the Expedition of Henry the Fifth Into France:** Sir Nicholas Harris Nicolas, 1827 *1415 Agincourt* Anne Curry, 2015-10-05 As night fell in Picardy on Thursday 24 October 1415, Henry V and his English troops, worn down by their long march in search of a crossing of the Somme, can only have dreamt that the battle of the next day would be remembered as one of the most momentous victories ever won. Six hundred years down the line, the battle of Agincourt still rings through the centuries. In this stupendous victory, English and Welsh archers, who formed the bulk of Henry's army, prevailed against large numbers of French men-at-arms and cavalry. This startling and revisionist history recreates the campaign and battle from the perspectives of the English. Acclaimed as one of the best battle accounts ever published, Anne Curry has updated her classic work in honour of the 600th anniversary of Agincourt. **History of the Battle of Agincourt** Sir Nicholas Harris Nicolas, 1827 *The Agincourt War* Alfred Higgins Burne, 1956 Dette v rk beskriver perioden 1369-1453 [Agincourt](#) Bernard Cornwell, 2009-01-20 The greatest writer of historical adventures today, Washington Post tackles his richest, most thrilling subject yet: the heroic tale of Agincourt. Young Nicholas Hook is dogged by a cursed past, haunted by what he has failed to do and banished for what he has done. A wanted man in England, he is driven to fight as a mercenary archer in France, where he finds two things he can love: his instincts as a fighting man and a girl in trouble. Together they survive the notorious massacre at Soissons, an event that shocks all Christendom. With no options left, Hook heads home to

England where his capture means certain death Instead he is discovered by the young King of England Henry V himself and by royal command he takes up the longbow again and dons the cross of Saint George Hook returns to France as part of the superb army Henry leads in his quest to claim the French crown But after the English campaign suffers devastating early losses it becomes clear that Hook and his fellow archers are their king's last resort in a desperate fight against an enemy more daunting than they could ever have imagined One of the most dramatic victories in British history the battle of Agincourt immortalized by Shakespeare in Henry V pitted undermanned and overwhelmed English forces against a French army determined to keep their crown out of Henry's hands Here Bernard Cornwell resurrects the legend of the battle and the band of brothers who fought it on October 25 1415 An epic of redemption Agincourt follows a commoner a king and a nation's entire army on an improbable mission to test the will of God and reclaim what is rightfully theirs From the disasters at the siege of Harfleur to the horrors of the field of Agincourt this exhilarating story of survival and slaughter is at once a brilliant work of history and a triumph of imagination Bernard Cornwell at his best [Agincourt](#) W. B. Bartlett,2015-09-15 The human story of Battle of Agincourt through the eyes of key participants [Agincourt](#) Rosemary Hawley Jarman,2012-04-15 The fascinating story of the Battle of Agincourt told by a distinguished historical novelist [Agincourt](#) Ranulph Fiennes,2015-12-15 On 25th October 1415 on a French hillside near the village of Agincourt four men sheltered from the rain and prepared for battle All four were English knights ancestors of Sir Ranulph Fiennes and part of the army of England's King Henry V Across the valley four sons of the French arm of the Fiennes family were confident that the Dauphin's army would win the day Sir Ranulph Fiennes explains how his own ancestors were key players through the centuries of turbulent Anglo French history that led up to Agincourt and he uses his experience as expedition leader and soldier to give us a fresh perspective on one of the bloodiest periods of medieval history With fascinating detail on the battle plans weaponry and human drama of Agincourt this is a gripping evocation of a historical event integral to English identity Six hundred years after the Battle of Agincourt Sir Ranulph Fiennes casts new light on this epic event that has resonated throughout British and French history *The Face of Battle* John Keegan,1983-01-27 John Keegan's groundbreaking portrayal of the common soldier in the heat of battle a masterpiece that explores the physical and mental aspects of warfare The Face of Battle is military history from the battlefield a look at the direct experience of individuals at the point of maximum danger Without the myth making elements of rhetoric and xenophobia and breaking away from the stylized format of battle descriptions John Keegan has written what is probably the definitive model for military historians And in his scrupulous reassessment of three battles representative of three different time periods he manages to convey what the experience of combat meant for the participants whether they were facing the arrow cloud at the battle of Agincourt the musket balls at Waterloo or the steel rain of the Somme The Face of Battle is a companion volume to John Keegan's classic study of the individual soldier The Mask of Command together they form a masterpiece of military and human history **Agincourt in Context** Rémy

Ambühl, Craig Lambert, 2018-10-05 This book investigates the Battle of Agincourt which continues to be of immense national and international interest as well as the wider conduct and organisation of war in the late Middle Ages In England Shakespeare's Henry V ensured that the battle holds a place in the English national consciousness and through the centuries that followed the story of Henry's famous victory was used to galvanise English national spirit in times of war In France the immediate impact of the battle was that it helped to galvanise French national awareness in response to an external enemy This book showcases new research into Agincourt and the wider issues of military recruitment naval logistics gunpowder and siege warfare and the conduct of war It also takes a wider European perspective on the events of 1415 by including research on Portuguese military organisation at the time of Agincourt This book was originally published as a special issue of the *Journal of Medieval History*
