The work load of the agency appears to be fairly constant. However, it is regulated by shipping activity with the sole source of income being derived by a percentage (3%) of the forward and outward bar pilotage fees from the three bays. Any unencumbered balance in the Pilot Commissioners' Special Fund in excess of \$6,500 as of June 30 of each year accrues to the General Fund.

The commission is composed of three members who are charged with the responsibility of qualifying applicants as pilots to operate vessels on San Francisco, Suisun and San Pablo Bays.
