Alone Yet Not Tracy Michele Leininger:

Alone Yet Not Alone Tracy M. Leininger, Tracy Leininger Craven, 2001-01-01 The Leininger family settled deep within America's new frontier in the Blue Mountains of Pennsylvania. A sudden Indian raid changed their lives forever. This story retells the heroic and daring escape of Barbara Leininger and the touching reunion with her sister Regina after nine years. It also gives us an endearing portrayal of the love between family members and the strength of childhood memories. Father and Mother Leininger's commitment to hide God's Word in the hearts of their children yielded the fruit of an enduring faith in their Savior. Barbara and Regina held firmly to the belief that they were never alone even in their darkest hour. Amazon.com

Alone Yet Not Alone Tracy Leininger Craven, 2015-09-01 Autumn of 1755 bestowed to the Leiningers world not only its rich beauties but also a rewarding harvest. On this particular day the whole valley seemed to rejoice in the fullness of the season but suddenly Barbara and Regina's peaceful frontier life is changed forever. General Braddock and his army had been defeated and soon the Pennsylvania settlers would suffer the bloody effects of the French and Indian War. On October 16, 1755, a band of Indians led by Allegheny warriors stormed through Buffalo Valley, burned the Leiningers' log cabin and captured the sisters. Few survived the Penn's Creek Massacre and even fewer lived to tell the story. Regina makes a promise to her older sister just before they are unwillingly separated: each to endure different fates. Barbara is taken deep into the wilderness but holds on to the hope that she will find her little sister. Though she is adopted into the Indian tribe, there is a longing deep inside that cannot be denied. She must escape but the penalty if caught is certain death. No one expresses Barbara's apprehensions better than her own words written in 1759: "If one could not believe that there is a God who helps and saves from death, one had better let running away alone." The extreme probability that the Indians would pursue and recapture us was two to one compared with the dim hope that perhaps we would get through even if we did escape the Indians. How would we ever succeed in passing through the wilderness unacquainted with a single path or trail? Townes, 2025-07-29 The Christian church is dwindling in many parts of the United States and countless children are growing up only to abandon their faith. A well-trodden secular path in child-rearing has proven to lead to disaster and yet many Christian families continue on it unsure of what to do differently or how to change course. Is there a better way? By intertwining Scripture with studies, statistics and research, Townes outlines crucial priorities for early childhood and helps parents build the all-important foundation and framework of Christian faith and virtue in their children's lives. *Tabbner's Nursing Care* Gabby Koutoukidis, Jodie Hughson, 2012-10 This text covers a wide range of issues surrounding nursing, midwifery and health visiting.
