John McQuiston II

Always We Begin Again:

Always We Begin Again John McQuiston II, 2011-01-01 This perennial favorite proposes a sustainable framework to create a more stable and fulfilling work life balance in an ever busy noisy world *Always We Begin Again* is the work of an attorney with a busy commercial practice who searched for a truly balanced life and found the blueprint for it in a sixth century text After discovering St Benedict's Rule author John McQuiston II interpreted and restated the ancient system of spiritual living enabling today's reader to understand and make use of its remarkable insights While strict adherence to the Rule may be possible only in a monastic setting its bedrock the ordering of each day is accessible to everyone who seeks an orderly structure to their bustling professional and personal life The brief readings and meditations in this small book offer a bridge between a busy day and a moment of restorative and blessed silence John McQuiston II takes the Benedictine rule and adapts it to the circumstances of contemporary life McQuiston provides one of the practical tools available for the devout layperson who seeks daily Christian praxis within the strictures of a successful business or professional life Publishers Weekly

Always We Begin Again Leeana Tankersley, 2019-08-20 None of us wants to be sidelined stuck shamed or silenced But the difficulties of life have a way of putting us in a corner and we don't know how to move forward We see brokenness in our communities our relationships and our spirits It's so easy to blame ourselves or our circumstances to get bogged down in discouragement and toxic thinking But that's not what we were meant for and that's not how God wants us to live Leeana Tankersley has good news if you're struggling each new day is an opportunity to begin again In her warm tone and with her signature humor she offers 100 short readings to encourage and motivate you to begin again in your relationships with God your family your friends and yourself Because there is always a hand reaching toward you there is always grace available and there is always a chance to begin again

Always We Begin Again John McQuiston, 1996 This book holds timeless appeal for readers who hunger for a meaningful and creatively balanced framework for life It offers a simple blueprint based on the Rule of St Benedict to order one's time and create physical and inner space to step back from

As We Begin Again Doris Washington, 2022-02-15 *As We Begin Again* is a collection of poems that encourage us to discover what we all long for inner peace In the poem Forgiveness the author encourages us to discover healing through forgiveness In the poem The Child That Plays Alone the author shares her personal experience about her son who has autism for a greater understanding and awareness The poem Along The Way invites us to discover that through our journey in life we sometimes meet friends not by chance but through a divine connection The poem Endurance encourages us to always have hope through life's challenges that the sun will always shine through And in the poem A Message About Love as we open our hearts to see with love love is what we'll see and inner peace we'll always find *As We Begin Again* inspires and encourages us to see the positive side in living life more fulfilled And most importantly it inspires us to open our hearts to always see with love

Begin Again Leeana Tankersley, 2018-04-03 What happens when life begins to trip us up and failure starts creeping in Many of us just

keep on doing the same thing hoping for different results Some of us look for escape to find a way out of the mess we feel that we've created But neither enduring nor escaping is ultimately what we need The answer is to allow ourselves to begin again every day in every part of our lives Through engaging lyrical prose Leeana Tankersley shows women how to forgive themselves develop new and healthier patterns of living and do away with resentment and regret Her life giving words will free women who are feeling stuck and allow them to clear out the debris to make room for what God wants to do in their lives To begin again is to open the window even a crack to let the breeze of grace come in It is a call to stop running from our fears To take one small step toward becoming the brave women we were made to be

The Spacious Path Tamara Hill Murphy, 2023-06-20 A simple invitation into a life ordered around listening and love As we live through cycles of change and disruption our familiar pathways crumble and we find ourselves in fragmented relationships with God others and our own souls We are not the first to experience this disorientation When Jesus offered the stunning invitation to come to him to learn how to work from a place of rest he was talking to people weighed down by ill fitting political economic and religious systems And his life and ministry offer a glimpse of a better way For centuries a practice called the Rule of Life built around rhythms of prayer work study hospitality and rest has provided a loving pathway for anyone who desires to live out the whole gospel More than a historic primer on an ancient practice an aspirational overview of spiritual life or a personal inventory focused on habits The Spacious Path offers companionship through personal narrative meaningful reflection and guided prayer for readers to return to as often as needed Rediscover an ancient Christian practice to reorient your life around the unforced rhythms of Jesus not by adding another ill fitting system but by walking freely and lightly on the pathways of listening and love in the way of Jesus
