Amaldi Per I Licei Scientifici Blu 1 Sdocuments:

Quality and Equity in Education Michael Byram, Mike Fleming, Joseph Sheils, 2023-02-15 The work of the Council of Europe in plurilingual and intercultural education is highly influential in Europe and beyond and has been so for many years. The Common European Framework of Reference and its Companion Volume and related instruments provide ways in which to implement policies and a broader vision of providing quality and equity in education across the curriculum, a vision which incorporates the core values of the Council of Europe and which educates children and young people to be plurilingual, intercultural and democratic citizens. This book presents this educational vision, demonstrates how it can be realised through the application of Council of Europe instruments in practice and does so in a way which is easily and quickly accessible to teachers of all subjects and in all educational institutions as well as to other educationists including policymakers.
