centuries as a crusader for religious liberty and a prototypical feminist Michael Winship disentangles what really happened from the legends that have misrepresented her for so long *"The Pompe and Pride of Man"* Sandra Slater, 2024-10-28

Huddled on dank ships and tossed about in the waves of the Atlantic English Puritans envisioned a new society predicated on the values of individual and communal humility Pride a pervasive sin jeopardized their very survival and incited God's wrath The first generation of New England settlers deeply affected by the miseries of their migration experience crafted New England society on the dichotomy of pride and humility Embracing demonstrative suffering as essential Puritans embraced perpetual martyrdom often taking great pride in the extent of their humiliation This ideology affected self-perceptions and informed legal codes theology and community values Anxieties around pride resulted in violent efforts to eradicate proud individuals but also whole communities as demonstrated by the Pequot War 1636-37 The dichotomy of pride and humility permeated all aspects of New England Puritanism *Lives of Our Mothers* Darlene Porter, 2017-07-12 This first book of a forthcoming trilogy introduces Susannah Mary Wiggin as a child We see the pivotal events of her young life that becomes a motivation for many of her life decisions The action takes her across the Atlantic amid life-threatening storms and through the Great Colonial hurricane of 1635 While in Boston she experiences the harshness of the puritanical government Later Mary and her family trek through the Western wilderness to establish a new colony free from religious oppression One bright sunny morning Mary almost loses her toddler to a fearsome Pequot warrior That interaction carries over into the second book This debut volume ends with Reverend Hooker's company symbolically breaking away from the Puritan rules by singing hymns of thanksgiving as the group crests the valley of their promised land Hartford Connecticut The series creates a panorama of how women lived, loved, and lost in the seventeenth century **Insubordinate Spirit** Missy Wolfe, 2012-10-02

Insubordinate Spirit is a unique exploration into the life of Elizabeth Winthrop and other seventeenth-century English Puritans who emigrated to the rough, virtually untouched wilderness of present-day New England Excerpts from newly discovered personal diaries and correspondence provide readers with not only fascinating insights into the hardships, dangers, and losses inherent to English and Dutch settlers in the 1600s but also first-hand descriptions of the local Native Americans, family life, allegiances, and society Caught between the unendurable expectations of her Puritan relatives and land disputes with the neighboring Dutch Elizabeth Winthrop demonstrated a tremendous strength of resolve to protect her own family and remain true to her heart *Princeton Alumni Weekly*, 2003 **Anne Hutchinson** Timothy D. Hall, 2010 Ideal supplement for U.S. History survey course as well as courses in Colonial American History, History of Women in America, American Religious History, and American Biography Examines the life of this perennially fascinating and controversial woman within the dynamic social and cultural contexts of seventeenth-century England and North America Drawing upon the latest scholarship Timothy D. Hall presents Hutchinson as a literate, highly intelligent agent of a militant Protestant vanguard pressing to extend English influence into the new world Hall explores the charges brought against Hutchinson and analyzes

her responses to them and he provides thorough coverage of her continued influence in other communities after her trial and expulsion from the Massachusetts Bay colony Paperback brief and inexpensive each of the titles in the Library of American Biography series focuses on a figure whose actions and ideas significantly influenced the course of American history and national life In addition each biography relates the life of its subject to the broader themes and developments of the times
