commentators long neglected the equally sizeable far more protracted phenomenon of Indian Ocean slavery and all but passed over Africa's internal practices from Ethiopian kingdoms enslaving conquered peoples to the Sokoto Caliphate capturing non Muslims on a scale matching that of the US plantations Yet overlooked stories of enslavement matter In 1794 Congress authorised construction of the US Navy's first six ships in response to civilian vessels being seized by North Africa's Barbary corsairs who raided as far as Britain and the Caribbean enslaving hundreds of thousands of Europeans And since abolition of the trans Atlantic trade international concern has moved from traditional to modern forms of slavery leaving Africans enslaved as chattel today with few champions abroad The UN and African Union are too embarrassed to confront the African leaders still permitting this practice Unbroken Chains offers readers a full accessible history of the myriad bondage systems that have devastated African communities over the millennia It is a haunting sensitive powerful read
