After Effects Expressions:

After Effects Expressions Marcus Geduld, 2013-07-18 Put the power of Expressions to work in your animations with controls and efficiencies impossible to achieve with traditional keyframing techniques No programming skills are required Foundation concepts and skills orient the new designer and serve as a handy reference to the experienced one Basics of creating expressions variables commands and expression helpers precede the leap into javascript and math essentials for more advanced expressions that include randomness physical simulations and 3D Full color illustrations display the scripts and the resulting effects pickwhip techniques and sequential animations Downloadable companion files include Quicktime movies of the demo animations and AE project files that permit you to examine the Expressions Extensive notes are provided to aid you in implementing the extensive library of Expressions available for your use on Adobe LiveDocs **After Effects**

Expressions Marcus Geduld, 2009 Motion graphic artists can achieve new heights in animation with the power of Expressions and this guide shows them exactly how to do it **Adobe After Effects** Ben Goldsmith, 2022-07-22 Adobe After Effects A Complete Course and Compendium of Features is your guide to editing and enhancing videos in Adobe After Effects Whether you're animating text or objects changing a scene's setting or creating a 3D scene After Effects is the tool for you and this book will teach you what you need to know First with a complete Course that includes a set of projects and lessons derived from video editor and Adobe Certified Instructor Ben Goldsmith you will learn the procedures needed to use After Effects effectively and professionally Dozens of exercises are included that can be applied to any videos you have in mind Through step by step lessons you'll be exposed to all of After Effects features in practical contexts and its best practices for optimal workflows To complete the Course we'll supply lesson documents and their assets to download so you can work alongside the text Then for greater depth of knowledge and subsequent reference you'll use the Compendium to uncover more of the how and why of After Effects With each topic easy to access you can find and explore all of Premiere Pro's key features and concepts in depth With cross references between the Course and Compendium the two parts of the book complement each other perfectly Best of all when the lessons in the Course are done the Compendium will continue to serve for months and years to come **After Effects**

Francois Lefebvre, 2018-10-15 WHAT IS AFTER EFFECTS One of the most used software Adobe Creative Cloud is probably the most popular collection of softwares amongst creatives around the world With millions and millions of users Adobe After Effects might be one of their top programs mostly used in the Media Entertainment industry for Motion Graphics Animation and Visual Effects and with the ever expanding digital media demands Adobe After Effects seems unbeatable and the number one go to program for professionals and enthusiasts WHO AM I Everyone I am a motion graphics artist based in New York City I have over a decade of experience working for major companies and brands such as Google Amazon Nike Marvel Paypal and WWE among them My spectrum of expertise spans a wide range of digital social media broadcast and studio design But above all I'm a regular daily user of After Effects which

knows the concerns of the After Effects community and wants to help to add to the expansion of this huge generous and super creative community

WHAT IS EXPRESSION

A simple language Expression is the language that allows to program or link the properties in Adobe After Effects This coding language is written in ExtendScript developed by Adobe and based on the JavaScript coding language Trying to learn Expression can proved to be a laborious journey for a regular user not because of the difficulty of the language but because all of the materials to learn it are spread everywhere or just outdated it can be even more frustrating when the After Effects user has to leave the community to learn coding for After Effects through other coding sources such as JavaScript websites I experienced this firsthand and when it came to learning Expression you just can t find a precise answer where to start or a global approach this book is exactly what I wish I had found

WHY A BOOK

A missing piece Expression is known even to the experienced users as the dark and mysterious place within the After Effects world animators mainly understand keyframes When you don t know anything about coding in general it can look scary and not accessible but believe me Expression is very logical and you just need to know a few terms to be able to write read or decipher an expression my goal is to lighten things up and what can seem complex at the end is a very beautiful and simple tool that will bring harmony in creativity and boost the productivity definitely a must for any After Effects user Expression is still a written language so it s still easier to focus by learning it through reading rather than watching a video tutorial The purpose of this book is to have a reference where to quickly search learn and review the terms necessary to use Expression in After Effects Finally a real guide of how to learn Expression fast and easy presented in a modern and minimalist way

Adobe After Effects CS4 Visual Effects and Compositing Studio Techniques

Mark Christiansen,2010-04-09 This is the only book in the After Effects market to focus exclusively on the creation of visual effects and is a one stop resource for anyone who wants in depth explanations that demystify the realm of visual effects and how they were created thanks to veteran author Mark Christiansen s friendly and accessible style A thoroughly packed informative read this masterful guide focuses on explaining the essential concepts features and techniques that are key to creating seamless movie quality visual effects Users who are comfortable with After Effects will find a helpful review of After Effects fundamentals managing footage viewing and editing layers animating type and more so they can learn how to work smarter and more efficiently Readers of all levels will learn core techniques for effects compositing including color matching keying rotoscoping motion tracking emulating the camera and concluding with using expressions in After Effects written by contributor and expert Dan Ebberts The final section of the book delves into creative explorations demonstrating professional effects that readers might want to re create Readers will also find comprehensive coverage of all that s new and makes this version of Adobe s effects program such a boon to video pros of all stripes searchable timelines and projects Photoshop 3D layers import the Cartoon effect Imagineer Systems Mocha for Adobe After Effects improved workflow for mobile devices and more All of Peachpit s eBooks contain the same content as the print edition You will find a link in the last few pages of your

eBook that directs you to the media files Helpful tips If you are able to search the book search for Where are the lesson files Go to the very last page of the book and scroll backwards You will need a web enabled device or computer in order to access the media files that accompany this ebook Entering the URL supplied into a computer with web access will allow you to get to the files Depending on your device it is possible that your display settings will cut off part of the URL To make sure this is not the case try reducing your font size and turning your device to a landscape view This should cause the full URL to appear Throughout the book beautiful full color examples demonstrate what s possible while the companion DVD offers demos of After Effects CS4 sample footage and software plug ins

Learning After Effects Expressions ,2014 Even if you re not comfortable with scripting or coding you may still want to take a look at expressions They are like little scripts that trigger changes to layer properties and they can save you time make your work more flexible and open up new creative possibilities In this course motion graphic designer Angie Taylor shows you how to make Adobe After Effects expressions work for you starting with building expressions with the pick whip Then she introduces JavaScript based math expressions which allow you to adjust timing and movement and her favorite no brainer expressions such as property linking and connecting camera focus to layers Plus discover how to react to sound play with color format text and link 2D and 3D properties

Adobe After Effects Scripting Guide Nathan CLARK,2018-12-07 This Book Is To Learn A script is a series of commands that tells an application to perform a series of operations You can use scripts in most Adobe applications to automate repetitive tasks perform complex calculations and even use some functionality not directly exposed through the graphical user interface For example you can direct After Effects to reorder the layers in a composition find and replace source text in text layers or send an e mail message when rendering is complete Although both the After Effects expressions language and the After Effects ExtendScript scripting language are based on JavaScript the expressions features and scripting features of After Effects are separate and distinct Expressions cannot access information from scripts such as variables and functions Whereas a script tells an application to do something an expression says that a property is something However because the After Effects expression language and ExtendScript are both based on JavaScript familiarity with either one is very helpful in understanding the other The heart of a scriptable application is the object model When you use Adobe After Effects you create projects compositions and render queue items along with all of the elements that they contain footage images solids lay ers masks effects and properties Each of these items in scripting terms is an object This guide describes the ExtendScript objects that have been defined for After Effects projects

After Effects 5.5 Magic Nathan Moody,Mark Christiansen,2002 The book s visuals and professional level tutorials are by some of the world s top motion graphics designers Each contributor applies his or her personal visual style to the book giving the reader an array of expert approaches to draw upon The book focuses on real world extended techniques rather than single feature how to s

After Effects Guru: Expressions ,2016 Expressions are an incredibly powerful feature in After Effects They are a way to affect

the values of properties using lines of code rather than keyframes This makes expressions faster and cleaner than traditional animation techniques In this course author Luisa Winters demonstrates how to use expressions in Adobe After Effects Watch and learn how to add and edit expressions change dimensions like rate and value and use variables to assign and change values globally Plus find out how to use the After Effects Expression Language menu and introduce randomness into expressions for more creative possibilities **Learning After Effects Expressions** ,2014 Learn to use expressions to animate layer properties add movement loop animations react to sound format text and more in After Effects Proceedings APGV ,2008 **After Effects Expressions for Premiere Pro Editors** ,2016 Expressions are an advanced feature of After Effects that many editors shy away from The perception is that you need to be good at scripting to be able to use expressions But basic expressions are easy to apply using simple point and click methods They re incredibly useful for adding randomness to animation and effects linking properties to synchronize animation or even making effects react to music After Effects Expressions for Premiere Pro Editors is a creative project based workshop Editors take a basic Premiere Pro edit and bring it to life using After Effects expressions and Dynamic Link following author Angie Taylor s expert instructions The concepts are broken down into manageable 3 5 minute videos covering techniques such as randomizing effects linking animation and color to sound automating animation and more **After Effects Expressions for Premiere Pro Editors** ,2016 Learn how to use After Effects expressions to control and automate animation and to enhance Premiere Pro projects **The Effects of Dynamic Faces on the Perception of Emotional Expressions** Diane Elizabeth Marian,2009 After Effects Apprentice 09: Expressions Chris Meyer,2011 **Flash MX Design for TV and Video** Janet Galore,Todd Kelsey,2002-10-31 Includes perspectives from both traditional broadcast animators and seasoned Flash animators Provides information on pitfalls to avoid and where to find additional resources on Flash animation and television production Packed with tips techniques and case studies from shops on the cutting edge of Flash development Companion Website includes dynamic examples from the book and links to the hottest broadcast Flash animation created by third parties *Proceedings* ,2007 A Study of the Major Emotions in Persons of Defective Intelligence Beulah May Morrison,1924 **After Effects Guru: Expressions** ,2016 Use expressions in Adobe After Effects to save time animating motion graphics Learn how to add and edit expressions use variables and assign random values **The Ways of the Mind** Henry Foster Adams,1925
