Biggest change: the latest introduction of the 100% rule. The 100% rule requires that all of the company's income be paid out to the shareholders. This is a major change from the previous rule, which allowed the company to retain up to 10% of its income for reinvestment.

As a result, the 1000+ authors (including all authors) in these 100 papers are all the authors of the 100 papers. This is a very unusual situation in the history of science, and it is a very unusual situation in the history of science.
