Ronald Schleifer,1987 *The Semiotic Web* 1987 Thomas A. Sebeok,Jean Umiker-Sebeok,2010-10-06 No detailed description available for The Semiotic Web 1987 *Pillars in the History of Biblical Interpretation, Volume 2* Stanley E. Porter,Sean A. Adams,2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed *Poststructuralism and Communication* Gerald S. Greenberg,2005-09-08 This is an annotated bibliography of books and scholarly articles that comment upon the relationship between poststructuralist philosophy and communication Subject areas covered include education philosophy language literature social science theory and cultural studies *The Johns Hopkins Guide to Literary Theory and Criticism* Michael Groden,Martin Kreiswirth,Imre Szeman,2005 Publisher Description *Semiotica* ,1988
