Constructing the Uzbek State Marlene Laruelle, 2017-12-20 Over the past three decades Uzbekistan has attracted the attention of the academic and policy communities because of its geostrategic importance its critical role in shaping or unshaping Central Asia as a region its economic and trade potential and its demographic weight every other Central Asian being Uzbek Uzbekistan's political social and cultural evolutions largely exemplify the transformations of the region as a whole And yet more than 25 years after the collapse of the Soviet Union evaluating Uzbekistan's post Soviet transformation remains complicated Practitioners and scholars have seen access to sources data and fieldwork progressively restricted since the early 2000s The death of President Islam Karimov in power for a quarter of century in late 2016 reopened the future of the country offering it more room for evolution To better grasp the challenges facing post Karimov Uzbekistan this volume reviews nearly three decades of independence In the first part it discusses the political construct of Uzbekistan under Karimov based on the delineation between the state the elite and the people and the tight links between politics and economy The second section of the volume delves into the social and cultural changes related to labor migration and one specific trigger the difficulties to reform agriculture The third part explores the place of religion in Uzbekistan both at the state level and in society while the last part looks at the renegotiation of collective identities

Women Musicians of Uzbekistan Tanya Merchant, 2015-08-15 Fascinated by women's distinct influence on Uzbekistan's music Tanya Merchant ventures into Tashkent's post Soviet music scene to place women musicians within the nation's evolving artistic and political arenas Drawing on fieldwork and music study carried out between 2001 and 2014 Merchant challenges the Western idea of Central Asian women as sequestered and oppressed Instead she notes Uzbekistan's women stand at the forefront of four prominent genres maqom folk music Western art music and popular music Merchant's recounting of the women's experiences stories and memories underscores the complex role that these musicians and vocalists play in educational institutions and concert halls street kiosks and the culturally essential sphere of wedding music Throughout the book Merchant ties nationalism and femininity to performances and reveals how the music of these women is linked to a burgeoning national identity Important and revelatory *Women Musicians of Uzbekistan* looks into music's part in constructing gendered national identity and the complicated role of femininity in a former Soviet republic's national project

Central Asia Adeeb Khalid, 2022-11-29 A major history of Central Asia and how it has been shaped by modern world events Central Asia is often seen as a remote and inaccessible land on the peripheries of modern history Encompassing Uzbekistan Tajikistan Turkmenistan Kyrgyzstan Kazakhstan and the Xinjiang province of China it in fact stands at the crossroads of world events Adeeb Khalid provides the first comprehensive history of Central Asia from the mid eighteenth century to today shedding light on the historical forces that have shaped the region under imperial and Communist rule

Predominantly Muslim with both nomadic and settled populations the peoples of Central Asia came under Russian and Chinese rule after the 1700s Khalid shows how foreign conquest knit Central Asians into global exchanges of goods and ideas and forged greater connections to the wider world He explores how the Qing and Tsarist empires dealt with ethnic heterogeneity and compares Soviet and Chinese Communist attempts at managing national and cultural difference He highlights the deep interconnections between the Russian and Chinese parts of Central Asia that endure to this day and demonstrates how Xinjiang remains an integral part of Central Asia despite its fraught and traumatic relationship with contemporary China The essential history of one of the most diverse and culturally vibrant regions on the planet this panoramic book reveals how Central Asia has been profoundly shaped by the forces of modernity from colonialism and social revolution to nationalism state led modernization and social engineering The Timurid Century Charles

Melville, 2020-05-14 The century after the conquests of Timur witnessed the division of eastern and western Iran between his Turko Mongol successors and a flowering of Persian culture in the great cities of Herat Samargand and Tabriz among others In this the ninth volume in The Idea of Iran series leading scholars analyse the ways that Timurid contemporaries viewed their traditions and their environment asking questions such as what was the view of outsiders and how does modern scholarship define the distinctive aspects of the period Essential reading for scholars students and all those interested in the history of Iran the book considers the political religious and cultural history of this rich and highly productive interval that was the springboard for the formation of new imperial Ottoman Safavid Mughal and Ozbek orders of succeeding centuries
