Owl Creek; Horror Stories of Ambrose Bierce Ambrose Bierce, 2022-08-20 Ambrose Bierce a moral realist that bordered on the cynic was in his time known primarily for his journalistic works In time though his exceptional prowess in fiction especially that of weird and horror fiction has come to shine as one of the best in American history This collection of his works in horror has been expertly compiled and brought together through highly detailed design to showcase the power of these stories

Can Such Things Be? Ambrose Bierce, 2023-04-08 Ambrose Bierce s second major short story collection Can Such Things Be collected nearly all of Bierce s supernatural horror stories Bierce himself was a skeptic of the supernatural having once written a satirical essay The Clothing of Ghosts in which he insisted that The materialized spook appealing to our senses for recognition of his ghostly character must authenticate himself otherwise than by familiar and remembered habiliments He must be credentialed by nudity and that regardless of temperature or who may happen to be present Despite his personal skepticism Bierce was able to capture the essence of the supernatural horror story The Moonlit Road is a strong example providing three distinct vantage points of the same events and both The Death of Halpin Frayser and The Damned Thing are

frequently anthologized as pioneers in the genre Not all stories in the collection are strictly ghost stories Moxon's Master is one of the first examples in English literature to describe a robotic thinking machine and the fate of its master and Haunted Shepherd is a tale of a young man's search for meaning in his life Bierce also plays with the idea of holes in reality in the various Mysterious Disappearances stories portals to horrifying locations in The Spook House and parallel dimensions or altered states in A Psychological Shipwreck and The Realm of the Unreal H P Lovecraft discusses Bierce in his essay Supernatural Horror in Literature quoting Samuel Loveman In Bierce the evocation of horror becomes for the first time not so much the prescription or perversion of Poe and Maupassant but an atmosphere definite and uncannily precise Words so simple that one would be prone to ascribe them to the limitations of a literary hack take on an unholy horror a new and unguessed transformation Like his other major published collection of short stories Bierce updated and modified his stories for each new edition This collection includes all stories as revised and published in his 1910 Collected Works Volume III Can Such Things Be as well as several stories from the Bodies of the Dead section in an earlier 1903 edition which were not included in his Collected Works Terror by Night Ambrose Bierce, 2006 Of all the writers of ghost and horror stories Ambrose Bierce is perhaps the most colourful He was a dark cynical and pessimistic soul who had a grim vision of fate and the unfairness of life which he channelled into his fiction Collected Ghost and Horror Stories Ambrose Bierce, 2017-01-28 Ambrose Bierce 1842-1914 was one of the greatest writers of ghost stories in American literature He was a journalist critic and writer and wrote many short stories many of which can be categorised as horror stories or ghost stories This volume contains for the first time all 40 of his ghost and horror stories There have been numerous other collections but these have typically contained only 9 to 24 of his ghost stories This volume contains for the first time all 40 of his ghost and horror stories If you like classic ghost stories such as those by Edgar Allan Poe H P Lovecraft Arthur Machen or any of the other classic ghost story writers you are sure to love Bierce's stories with their dark imagery and haunting foreboding **The Collected Works of Ambrose Bierce** Ambrose Bierce, 2017-08-24 The most popular horror book for individuals who are going to overcome fears *Present at a Hanging and Other Ghost Stories* Ambrose Bierce, 2015-09-30 The Ways of Ghosts Present at a Hanging A Cold Greeting A Wireless Message An Arrest Soldier Folk A Man with Two Lives Three and One are One A Baffled Ambuscade Two Military Executions Some Haunted Houses The Isle of Pines A Fruitless Assignment A Vine on a House At Old Man Eckert's The Spook House The Other Lodgers The Thing at Nolan The Difficulty of Crossing a Field An Unfinished Race Charles Ashmore's Trail Science to the Front **Present at a Hanging and Other Ghost Stories** Ambrose Bierce, 2018-08-05 Present at a Hanging and Other Ghost Stories By Ambrose Bierce This collection of short and chilling ghost stories was originally published in 1913 and is loosely organized into four categories The Ways of Ghosts including An Arrest in which a murderer is escorted back to jail by the prison guard he murdered to escape Soldier Folk including A Man with Two Lives in which a man dead and buried returns to claim his belongings Some Haunted Houses
