in light of such questions Giles invites us to walk with him as he explores issues such as the Bible's origins violence in the Bible and in the modern world and the degree to which the Bible has been used as propaganda to justify particular ends. Never ignoring the doubts that may still remain Giles suggests that the Bible's power arises from its ability to open up a space where we can meet God who confronts us amidst all the messiness of our humanity. Whether we've never considered these questions before and especially if we have *A Doubter's Guide to the Bible* is an essential companion on our spiritual journey.
