The Life and Songs of Stephen Foster JoAnne O'Connell,2016-09-29 The Life and Songs of Stephen Foster offers an engaging reassessment of the life politics and legacy of the misunderstood father of American music Once revered the world over Foster s plantation songs like Old Folks at Home and My Old Kentucky Home fell from grace in the wake of the Civil Rights Movement due to their controversial lyrics Foster embraced the minstrel tradition for a brief time refining it and infusing his songs with sympathy for slaves before abandoning the genre for respectable parlor music The youngest child in a large family he grew up in the shadows of a successful older brother and his president brother in law James Buchanan and walked a fine line between the family s conservative politics and his own pro Lincoln sentiments Foster lived most of his life just outside of industrial smoke filled Pittsburgh and wrote songs set in a pastoral South unsullied by the

grime of industry but tarnished by the injustice of slavery Rather than defining Foster by his now controversial minstrel songs JoAnne O Connell reveals a prolific composer who concealed his true feelings in his lyrics and wrote in diverse styles to satisfy the changing tastes of his generation In a trenchant reevaluation of his NewYork Bowery years O Connell illustrates how Foster purposely abandoned the style for which he was famous to write lighthearted songs for newly popular variety stages and music halls In the last years of his life Foster s new direction in songwriting stood in the vanguard of vaudeville and musical comedy to pave the way for the future of American popular music His stylistic flexibility in the face of evolving audience preferences not only proves his versatility as a composer but also reveals important changes in the American music and publishing industries An intimate biography of a complex controversial and now neglected composer The Life and Songs of Stephen Foster is an important story about the father of American music This invaluable portrait of the political economic social racial and gender issues of antebellum and Civil War America will appeal to history and music lovers of all generations

Good Vibrations Philip Lambert,2020-03-06 *Good Vibrations* brings together scholars with a variety of expertise from music to cultural studies to literature to assess the full extent of the contributions to popular culture and popular music of one the most successful and influential pop bands of the twentieth century The book covers the full fifty year history of the Beach Boys music from essays on some of the group s best known music such as their hit single *Good Vibrations* to their mythical unfinished masterpiece *Smile* Throughout the book places special focus on the individual whose creative vision brought the whole enterprise to life Brian Wilson advancing our understanding of his gifts as a songwriter arranger and producer The book joins a growing body of literature on the popular music of the 1960s in general and on Brian Wilson and the Beach Boys in particular But *Good Vibrations* extends the investigation further and deeper than it has gone before not only offering new understanding and insights into individual songs and albums but also providing close examination of compositional techniques and reflections on the group s place in American popular culture *Unspeakable Awfulness*

Kenneth D. Rose,2013-07-24 The late nineteenth century was a golden age for European travel in the United States For prosperous Europeans a journey to America was a fresh alternative to the more familiar Grand Tour of their own continent promising encounters with a vast wild landscape and with people whose culture was similar enough to their own to be intelligible yet different enough to be interesting Their observations of America and its inhabitants provide a striking lens on this era of American history and a fascinating glimpse into how the people of the past perceived one another In *Unspeakable Awfulness* Kenneth D Rose gathers together a broad selection of the observations made by European travellers to the United States European visitors remarked upon what they saw as a distinctly American approach to everything from class politics and race to language food and advertising Their assessments of the American character continue to echo today and create a full portrait of late nineteenth century America as seen through the eyes of its visitors Including vivid travellers tales and plentiful illustrations *Unspeakable Awfulness* is a rich resource that will be useful to students and appeal to anyone

interested in travel history and narratives Top 40 Democracy Eric Michael Weisbard,2008 **The Legacy of Elise Hall** Kurt Bertels,Adrianne Honnold,2024-03-01 The saxophone is a globally popular instrument often closely associated with renowned players such as Charlie Parker John Coltrane or more recently Kenny G Less well known however is the historical presence of women saxophonists in the nineteenth century shortly after the instrument s invention Elise Hall 1853 1924 a prominent wealthy socialite in Boston at the turn of the twentieth century defied social norms by mastering the saxophone an unconventional instrument for a woman of her time Despite her career s profound impact Elise Hall remains relatively obscure in broader music communities Her untiring work as an impresario patron and performer made a significant mark on the history of the instrument Yet these contributions have been historically undervalued largely due to gender bias This collection of essays written by mainly women saxophonists scholars re evaluates Elise Hall s legacy beyond a discrete history updating the narrative by highlighting the ways in which her identity and the saxophone itself have influenced historical accounts By analyzing the sociocultural factors surrounding this innovative musician through a contemporary lens the contributors challenge previously held narratives shaped by patriarchal structures and collectively affirm her place as one of the pioneers in the history of the saxophone **The World of Music** David Willoughby,2009-07-30 The World of Music is a music appreciation book designed for instructors who want to focus on listening to music as it exists in the real world of their students Expanding the traditional repertoire used for music study this popular text begins with American folk religious jazz popular and ethnic music before introducing some world music and concluding with a thorough overview of Western classical music The approach captures the essence of each repertoire and equips students to recognize different styles appreciate their different functions and possess a solid foundation for a lifetime of musical appreciation *Current Musicology* Austin Clarkson,2008 **Music Research** Laurie J. Sampsel,2009 Introduces music students to the major print and electronic research tools available to them both for graduate level music bibliography or research courses and for any music courses requiring students to write research papers It guides students to the most significant English language research tools and resources reference titles in major areas and the principal sources in French German Italian and Spanish Publisher s description The Western Historical Quarterly ,2012 **The Mid-Atlantic Almanack** ,2008 Musicians & Composers of the 20th Century Alfred William Cramer,2009 Benny Goodman Dizzy Gillespie Jim Morrison Kurt Cobain these are the people who helped shape the history of music Their stories and others are told in Musicians and Composers of the 20th Century This five volume set offers biographical and critical essays on over 600 musicians in just about every genre imaginable from Accordion Players to Musical Theater Composers to World Music and everything in between
