Blogging for Profit 2019 Russell C. James, 2018-11-25 Why nearly 90% of bloggers only make pocket money from their work and how to be part of the top 10% that makes the big bucks Just a few years ago I was fired from a law firm I used to work for was heavily in debt and was looking for ways to make some side income online That's around the time I started blogging And because I really had no other choice I pushed myself into learning every possible way I could turn my new fitness blog into a money making machine So I did what you're probably doing going through the YouTube videos reading all the articles buying all the courses etc To my dismay I encountered the 3 challenges that stop most bloggers from making any significant income online Information overload The piles of information on the topic and the analysis paralysis that I got as a result prevented me from

getting anything done I followed outdated info The internet evolves rapidly and what worked in 2018 may not necessarily work in 2019 I lacked a roadmap with a destination Not knowing what you want and lacking a step by step procedure to get there is the perfect recipe for not getting any results at all Through hard work and dedication I was able to get past these hurdles and eventually made my first 5 figure month a bit over a year later Today I am a multiple six figure earner Because I understand what you re going through I ve written *Blogging for Profit 2019* In this book I have structured an easy to follow step by step plan based on up to date information that will make you start your journey towards profit on the right foot In this book you will Discover the hidden step in blog creation that will make or break your blog and how to fix this if you missed it Up to date blog monetization strategies for 2019 Discover how to read the minds of your audience and write tailor suited material for them every time Apply savvy internet marketing secrets for sending massive traffic of buying customers to your blog Win the social media game for getting even more traffic No this is not Facebook Ads Optimize your blog to be found on the internet the right way Discover million dollar brand secrets for having your readers come back to your blog time and time again Bullet proof blog monetization strategies that can make you passive income in less than 60 days 2019 may just be the perfect time to start creating REAL freedom in your life if you play your cards right But Russell I can just learn all of this on my own can t I You could and you could make it work with enough time and money put in However that would cost you a LOT more than the price of this book And what if I have no sales experience Can I still make money No worries we re not force pitching products to anyone Instead we re making interested customers come to us through our blog What if I already have a blog With a few tweaks we can optimize it for making money So don t sweat it s nothing we can t change and improve What are you waiting for Click the add to cart button and get your copy of *Blogging for Profit 2019* *Blogging for Profit* Terence Lawfield, 2015-02-11 *Blogging for Profit* Learn How To Make Money Blogging With Step By Step Instruction We all have heard stories of six figure bloggers making a kill from their blogging activities The internet is also filled with lots of absurd promises on how you can transform from an ordinary 8 5 working guy to an internet celebrity who tours the world as his or her blog makes him or her money on autopilot In as much as some of these stories are true there is a huge difference between those who hear the tales of these millionaire bloggers and those who actually become millionaire bloggers This doesn t mean that those who don t make millions of dollars annually from blogging are losers you don t have to make millions of dollars from blogging to be considered a success story This doesn t mean that making hundreds or thousands of dollars from blogging is any easier in fact you will be amazed that a vast majority of bloggers don t make any money from blogging Many actually end up giving up blogging altogether while many of those who continue blogging never understand how they can monetize their blog leave alone driving traffic to the blog So what do you think would make your blog any different given that a new blog is established every half a second You could easily end up getting lost deep in the volumes of other pages such that no one ever visits your site unless you give them the direct link to the blog then ask them to visit With a new blog

established every half a second you need to do something that makes you stand out from the many others that end up not making any money Irrespective of the niche you settle for it is best to understand how to start and grow a money making blog I will take you through a step by step process to help you transform your newly established blog or the blog you are thinking of establishing to a money making venture Although the incomes will differ for different people based on different reasons I assure you that you will make money when you follow this guide Blogging for Profit Here Is A Preview Of What You ll Learn What is a Blog How to Start a New Blog Monetizing Your Blog Advertising Affiliate Marketing Selling Products Marketing Techniques Practical Tips on How to Make the MOST Money as a Blogger Much much more Thank You for Choosing This Book
