The Pause Julian Jason Haladyn, 2024-04-15 When COVID 19 spread across the globe people experienced protection measures such as social distancing self isolation and self quarantine as a kind of shutting down or putting on hold of life Many referred to this experience as a pause Calling attention to the long

history of grappling with pausing in writing on plagues and pandemics Julian Haladyn explores the pause in its social political and personal manifestations over the extended pandemic The schism between the virus and its prohibitions on human engagement with the world produced a crisis Haladyn argues in which for an extended time it was impossible to imagine a future The Pause is a cultural inquiry into a moment when human life around the globe seemed to halt as well as the social symptoms that defined it The Pause captures the experience of being inside the pandemic even as that experience continues to unfold It regards our current situation not for what it may become in the future but rather as a moment of mass uncertainty and existential hesitation
