**Latino Fathers** Fatima Suarez, 2025-11-04 The contemporary meaning of Latino fatherhood What does fatherhood mean in the lives of Latino men In Latino Fathers Fatima Suarez shifts the attention from how father involvement affects Latine children to how Latino men experience fatherhood and what being a father means to them Suarez brings attention to the social forces shaping sustaining and undermining Latino men s parenting how their views and behaviors uphold challenge negotiate and transform culturally dominant ideas of fatherhood and the lessons they teach us about the reproduction of inequality in family life Suarez focuses on the many different facets of fatherhood including work life balance parenting challenges and empathy and resentment for their own fathers Drawing on in depth interviews with 60 Latino fathers in California Suarez highlights Latino fathers familial stories of joy sorrow humor pain uncertainty and hope Latino Fathers provides a compassionate intimate account of a group of fathers challenging the myths about them wrestling with the tensions they experience as they negotiate cultural ideas of good fathering and the structural realities that make it both possible and difficult to meet those expectations

**Father Involvement and Gender Equality in the United States** Richard Petts, 2022-08-31 This book focuses on issues of family work and gender with a focus on gender inequality Women are disadvantaged in both paid and domestic work due in large part to being primarily responsible for duties within the domestic sphere The COVID 19 pandemic has exacerbated these inequalities making the issue of reducing gender inequality even more pressing Fathers play an important role in contributing to and perhaps reducing gender inequality but barriers to their involvement in family life have received less attention than detailing challenges that mothers face If men were equally involved in all aspects of domestic life i e were fully engaged dads women s burdens would be reduced and perceptions of who is responsible for parenting may change resulting in greater gender equality Father Involvement and Gender Equality in the United States focuses on the key issue of father involvement seeking to understand why fathers are less involved at home than mothers despite an increased desire for fathers to be more engaged parents This book utilizes recent national survey data interviews with fathers and insights from the author s personal experience as a father to identify current norms of

fatherhood within the United States barriers to father involvement and strategies to overcome these barriers Overall this book argues that by establishing the expectation that fathers will be fully engaged dads as a cultural norm and by providing structural opportunities for fathers to meet this cultural standard greater gender equality can be achieved within the United States The arguments presented in this book are valuable for scholars in the areas of family work and gender policymakers and business leaders who seek to promote gender equality and work family balance and parents who are interested in achieving a more egalitarian division of labor within their own families

**Working Mother** ,2003-10 The magazine that helps career moms balance their personal and professional lives

**Sesame Street Dad** Roscoe Orman,2006 This book which I hope conveys the spiritual tenor of my times as well as the philosophical and educational enrichment I have received within them is a distinctly personal account and interpretation of my life experiences that may also serve as a lasting record of the events described many of which have historical significance beyond my own personal story The four decades that my career has thus far spanned encompass a period of change that is unprecedented in the history of American society Certainly my three decades as Gordon on Sesame Street have provided one of the most enriching and edifying stories of my life If I could boast of no other major career accomplishment having played a central role as I have in the development and continuation of this landmark series would alone have made my life sufficiently meaningful The historical significance of Sesame Street and its surprising longevity have made my association with the show in many regards my life s crowning achievement Reviewing the entirety of my career however has given me an opportunity to examine the political moral social cultural and artistic connections and influences that have defined all its aspects Within the realm of theater for instance it is clear that my early affiliations with The Free Southern Theater of New Orleans and The New Lafayette Theatre of Harlem between the mid 1960s and the early 1970s have been arguably even more influential in defining the content of my personal character and my life s work than have my many years as Gordon Given that each new age must follow a course suited to its own current demands I offer my story in a spirit of generosity joy hope and compassion as a voice from the recent past and present to the open ears of the future
