*Tips* Andrea Karcz,2021-04-03 A good father makes all the difference in a child's life. He's a pillar of strength, support, and joy. His work is endless and sometimes thankless. But in the end, it shows in the sound, well-adjusted children he raises. A good father loves his children, but he doesn't let them get away with everything. He might disapprove of his children's misdeeds, using tough love to prove a point, but he does so through the power of his words. There are lots of how-to manuals out there for dads. The authors did an excellent job through personal reflections and poignant observations of sharing practical advice that good fathers need to be the best dads that they can be. This book is a fantastic resource and one that every dad should keep handy.

*10 Ways To Avoid Being A Deadbeat Dad* James Edgecombe,2012-06-11 While many fathers are aiming to do their part, there must be an aggressive fight to get rid of the deadbeat dad plague. This book aims to help today's fathers by promoting the basic elements necessary to preserve fatherhood. It helps protect fathers from parental disaster and intentionally raise children they are proud of. Maximum results of this kind will only be possible through planned parenthood. So many absent baby daddy issues exist today, but can things be any better? This book is also geared towards helping children to have their own fathers that they admire. It has been created to benefit fathers and men, but can be utilized by mothers who need help in making sure their child is raised on the right foundation. *10 Ways To Avoid Being A Deadbeat Dad* consists of basic principles every father needs. It also challenges fathers to take the next step with personal response applications. If family relationships are going to improve, there must be efforts taken by fathers now. A great gift for all occasions to help fathers keep on the right track with the necessary tools to be a successful parent.
