Part 2 is a collection of best practices. Seventeen successful large programs are included, contributed by librarians who have dared to think big and made it work. Included are the book and author programs in school and public libraries. There are also creative programs about poetry and dance, STEM activities, pop culture and school and work. Every section has two to four programs. Each program explains how the program began and evolved to the event it is today, a timeline, how the program was financed, who assisted to make every step successful, how the program was publicized and how evaluations were collected and written are provided in detail to empower a librarian to tackle their first time big program. **The Anxiety Busting Workbook for Kids** Debra Kissen,Meena Dugatkin,Grace Cusack,2024-10-01 Children face a number of anxiety-inducing challenges every
