Perspectives on Teaching Workplace English in the 21st Century Mable Chan, 2023-07-13 This collection bridges the gap between research and practical applications by showcasing the latest research developments on business English as a lingua franca and the ways in which they might better inform language teaching practice. Featuring contributions from both established and emerging researchers in the field, this book brings together research findings on business and workplace English pedagogy with a focus on addressing issues and challenges around spoken communicative needs in the workplace. The volume explores spoken communication in the business context across a diverse range of settings and media, including oral presentations, small talk, meetings, business negotiations, and interviews. Taken together, the book offers an up-to-date synthesis of research on key topics at the intersection of spoken workplace communication and language teaching, toward facilitating more engaged, empirically grounded business English as a lingua franca teaching. This book will be of particular interest for students and scholars in business communication, workplace communication, and English for specific purposes.

A Handbook for Retaining Early Career Teachers Anna Elizabeth Du Plessis, 2023-10-31 This book addresses the global concern of teacher attrition rates, particularly those who walk away from the profession within the first five years. The author offers new knowledge about the factors that influence beginning teachers' career decisions through an in-depth examination of their lived experiences. Using a unique lens that explores the complexities of a beginning teacher's classroom through its many attendant axiological, structural, interpersonal, and practical contexts, the book presents strategies that address the deep
