No Bs Blogging Tips For Beginners Guide For Teens:

Embodying the Problem Jenna Vinson, 2017-12-11 The dominant narrative of teen pregnancy persuades many people to believe that a teenage pregnancy always leads to devastating consequences for a young woman her child and the nation in which they reside Jenna Vinson draws on feminist and rhetorical theory to explore how pregnant and mothering teens are represented as problems in U S newspapers political discourses and teenage pregnancy prevention campaigns since the 1970s Vinson shows that these representations prevent a focus on the underlying structures of inequality and poverty perpetuate harmful discourses about women and sustain racialized gender ideologies that construct women s bodies as sites of national intervention and control *Embodying the Problem* also explores how young mothers resist this narrative Analyzing fifty narratives written by young mothers the recent NoTeenShame social media campaign and her interviews with thirty three young women Vinson argues that while the stigmatization of teenage pregnancy and motherhood does dehumanize young pregnant and mothering women it is at the same time a means for these women to secure an audience for their own messages More information on the author s website <https://jennavinson.com>

The Beginner's Guide to Blogging David Grete, 2020-05. It all started about a decade ago when the economy went south and I lost my job. I found myself without purpose, surviving on unemployment checks and aimlessly searching for an alternative way to earn a living. Contrarily, losing my job was one of the best things that has ever happened to me. The part I didn't handle so well was the uncertainty. How was I going to support myself? What was I going to do with myself? Every day I faced the daunting task of finding a new job, no easy feat during the great financial crash of 2008-2009 and the biggest economic downturn in my life. I'd heard of the possibilities of blogging. There were a few bloggers doing what I could only dream of doing. Making a living just for doing something they loved. I gave it some consideration and contacted some of them. Many were kind enough to answer my emails and some gave me some solid advice on getting started with my very own blog. Have you noticed how some bloggers make six or seven figure incomes while others struggle to even make 100? What if I could teach you some key skills and habits that could make your blog a true success financially? One of the biggest secrets I can share about blogging, one that I quickly came to understand from other successful communicators, is that you have to be passionate about what you're writing. But this book has so much more to offer. In this book, you'll find easy, step-by-step instructions on how to set up your very own blog. Analyze and select a specific niche that is both profitable and that you are passionate about. Promote and market your blog using several proven social media marketing strategies. Apply basic content strategy and design elements to your blog posts to make them go viral. Apply 25 essential blogging tips that can help you turn passion into profit. While you may not get instantly rich from blogging, it is something you can easily build upon in your spare time and expand into a full-fledged career path. In this book, you will learn everything you need to know to get a huge advantage in blogging by standing on the shoulders of some of the most successful bloggers ever to put words on a page. For less than a cup of coffee, this book will literally teach you how to turn your passion into profit, become your own boss, and eventually leave the day job behind. Don't wait, click the Add to Cart button now and let's get started. [A Beginner's Guide to Becoming a Successful Blogger](#) The Non Fiction Author, 2018-08-07. Chances are you've witnessed the change of tide that took place within the professional blogging arena. All you really had to do was slap up a bit of content, implement a series of relevant ads, tag your posts and articles with keywords, and sit back as the traffic and profits rolled in. Then the search engines made a series of changes resulting in the loss of quality and relevancy given to websites that failed to present quality original content. And blogging changed yet again.
