## **Updated Personal Brand On LinkedIn Near Me:**

I'm on LinkedIn--Now What??? (Fourth Edition) Jason Alba, 2014-03-11 I'm on LinkedIn Now What Fourth Edition is regularly referred to as the bible on LinkedIn because it was one of the first LinkedIn books in print. At the present time it is the only LinkedIn book in the fourth edition. This LinkedIn book is designed to help you get the most out of LinkedIn which has become the most popular business networking site. It is one of the big three in the social networking space along with Facebook and Twitter. This new edition focuses on strategies and tactics to help you understand what LinkedIn is and how it fits into your online marketing strategy whether it is a personal marketing strategy or a business corporate marketing strategy. The tactics are practical, realistic, and respectful of your busy schedule. This LinkedIn book is a favorite resource of career coaches, marketing directors, social marketing consultants, and others who regularly use LinkedIn to reach customers, find important contacts, and communicate with them, increase their brand recognition, and help others learn more about them. The strategies and tactics are explained with clear instructions that should last through new changes in LinkedIn since they are principle based. Use LinkedIn to find and develop relationships which can help in your business and personal life. If you are wondering how to use LinkedIn or if you are not getting as much value as you can out of LinkedIn, this is your resource. Complement this LinkedIn book with the regular blog posts at [ImOnLinkedInNowWhat.com](http://ImOnLinkedInNowWhat.com) to keep up with new changes and ideas. If you are a professional interested in advancing your career, increasing your business, or expanding your opportunities through relationships, this book is for you. It helps you understand and develop an effective online social networking strategy with LinkedIn. After reading this book, you will walk away with an understanding of LinkedIn and why you should use it. A set of best practices and tips to get started and to expand your use of LinkedIn and an understanding of how LinkedIn fits into your networking and career strategy.

*LIS Career Sourcebook* G. Kim Dority, 2012-10-03 A must-have guide of professional development resources for library staff at every phase of their career, from those just entering the field to paraprofessionals building a career trajectory to seasoned librarians looking to explore additional career options. Thousands of students graduate with a Master of Library and Information Science degree every year. Unfortunately, budget cuts at libraries diminish available job opportunities and prompt administrators to hire less qualified and less expensive professionals. However, armed with the right information, library science professionals can successfully build and sustain a resilient library and information science LIS career inside or outside the traditional library setting. *LIS Career Sourcebook: Managing and Maximizing Every Step of Your Career* provides a chapter-by-chapter overview of key career stages and strategies and identifies for each the best information resources to help readers develop a successful LIS career. The author lays out the typical stages that workers are likely to encounter as they move through their professional life, highlighting important issues associated with each stage and providing insights and resources for making smart career choices along the way. Covering the entire career lifespan from entry level to retirement, the resources cited will help readers make informed choices about career options.
