Whether you're new to remote work or have been working remotely for years there's enough on your plate already without thinking about how to connect with and engage your team. I wrote this book to do just that and take one thing off your to-do list. The book is intentionally short, low on reading and high on actions. It's organized in such a way that you can open it five minutes before your meeting to grab a quick game or sit down to plan a longer virtual team retreat. In the first few pages you will find a Quick Reference Guide to help you find exactly what you need. You will have access to 75 activity ideas and hundreds of questions to help make your remote meetings one-on-ones and day-to-day virtual interactions more engaging. Beyond games you will find team reflection activities, stay conversation questions, a unique end-of-the-year team celebration idea and more. You will also find simple ways to virtually learn, stay healthy and celebrate together as a team. The only thing you need to do is take action.
