*Calligraphy For Dummies* Jim Bennett, 2011-02-25 You've always admired beautiful calligraphy but you probably figured it was way too hard to master right. Calligraphy is actually much easier than you ever dreamed. All you need is the right guide and you'll be up to speed in no time. Calligraphy For Dummies lets anyone discover the art and fun of lettering. With this hands-on guide you'll be able to develop your craft and test it out in no time. Starting with the italic alphabet you'll discover different types of strokes, how to angle your pen and how to join letters. This easy-to-follow step-by-step guide shows you all the tools you need to practice the craft. Where to get the proper ink and paper. How to master several alphabets. Different variations to change the look of letters. How to mix and match your alphabets. How to create a poster, sign or certificate. Ways to design and letter a quotation. Common mistakes that can easily be avoided. Calligraphy For Dummies also provides tips on how to put your calligraphy skills to good use with ideas for making money, adding flair to wedding invitations and more. It also includes ten fun alphabets and practice pages to hone in on your talent as well as examples of poorly formed letters to keep you on track. With a little practice you'll be creating stunning letters and experiencing the joys of writing calligraphy.

New Product Development For Dummies Robin Karol, Beebe Nelson, 2007-05-07 The global consumer product market is exploding. In 2006 alone 150,000 new products were brought to market. Now for the bad news of those fewer than 5% were hits and fewer than 15% will even exist five years from now. Written for small business owners and entrepreneurs looking for an inside track on new product development, *New Product Development for Dummies* offers you a unique opportunity to learn from two consummate insiders the secrets of successfully developing, marketing and making a bundle from a new product or service. You learn proven techniques for sizing up market potential and divining customer needs. You get tested in the trenches, strategies for launching a new product or service. And you get a frank in-depth appraisal of the most challenging issues facing new product developers today, including the need to collaborate with global partners, optimizing technology development for a 21st century marketplace, getting start-up capital in an increasingly competitive environment and much more. Key topics covered include: Developing a winning NPD strategy. Generating bold new ideas for products and services. Understanding what your customers really want. Keeping projects on track on budget and on time. Building effective cross-functional teams. Planning and executing a blockbuster launch. Collaborating with global partners. Maximizing your chances for success. No matter what size or type of business you're in, this book provides you with an unbeatable competitive advantage in the booming global marketplace for new products and services. **Candlestick Charting For Dummies**
