Investment Aftercare Explained Carolina Arriagada Peters, David Coble, Toby X. Li, Brendan Lewis, 2021-11-29 This book is the first to systematically map the last step of the foreign investor s journey usually referred to as post investment aftercare or business retention and expansion It provides a wide range of approaches and strategies for host economies to better retain foreign investors encourage follow on expansions and achieve greater local economic embeddedness through a multi stakeholder dialogue leading to improvement of the overall business climate Global foreign direct investments reached US 1 5 trillion in 2019 but this figure reduced by over 42% in 2020 due to the pandemic Against this backdrop retaining established investors became even more important Numerous organisations all over the world are dedicated to attracting foreign companies to invest in their markets Facilitating this effort is a dynamic and competitive industry that involves international organisations supporting capacity building think tanks academia and consultants However once foreign companies decide to invest a critical question arises how can host economies grow and retain these foreign investments

Many host governments could do much better as there is very little post investment support for these foreign companies to help them grow their businesses throughout different stages of investment business and economic cycles This is where aftercare comes in In this book the authors include diverse examples from around the world to demonstrate aftercare best practices in action This book is an essential read for all public administration staff related to FDI attraction and promotion practitioners in the private sector and FDI consultants It will also be of great interest to multilateral organisations seeking to organise seminars and training courses for capacity building The book will also benefit researchers academics and postgraduate students of international relations foreign trade and internationalisation For further information see www.aftercareexplained.com *Public Service Magazine* ,1928 **Bulletin of the Atomic Scientists** ,1998-09 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world

Public Service Management ,1929 *Locomotive Engineers Journal* ,1926 **The Clay-worker** ,1919 **The Future (R)Evolution of the Office Workspace** Claus Sneppen,2025-03-21 The redefined meaning of the office workplace for knowledge workers that is currently taking place impacts all workplace actors to different extents There is no exact formula or framework for a successful hybrid working life thus society cannot anticipate the future of the hybrid office workplaces and work life will look like for office work This means that workplaces need to continuously alter and evolved their workplace models This book provides workers and managers with a nuanced understanding of the changes that have been realized are nearing realization or will drive the transformation of the hybrid workplace going forward It offers recommendations and a framework to assist organizations to develop optimal hybrid workplace models focusing on major trends and component shaping this evolution **New York Review of the Telegraph and Telephone and Electrical Journal** ,1884 *New Outlook* ,1918 *Electrical Engineer* ,1887 **The Electrician and Electrical Engineer** ,1887 *Harlow's Weekly* ,1921 **Electrical News** ,1912 **The Electrical Engineer** ,1887 **The Current Business Cyclopedia** ,1919 **Moore's Rural New Yorker** ,1922
