[Navigating the New Normal](#) Rodd Mann, 2021-03-08 This book is primarily focused on the post pandemic Gen Z and Millennial business opportunities most of which didn't even exist a generation ago No one will forget the year 2020 The year that a pandemic shut down social work and public contact There are two particular changes that have had a pronounced effect on business and finance which this book will provide the guidance currently lacking in traditional business school texts The first is the change from commuting to work to sheltering in place with students and professionals on videoconferencing apps such as Zoom Likely a lasting change we can expect many office spaces will remain empty and many businesses will stick with the new work from home change The second change is that the younger generation is the first to

suffer a setback in terms of the standard of living compared to their parents Not only do more than half of Americans have less than 1 000 in savings but they eschew traditional corporate cubicles preferring instead to juggle multiple and new hustles and side gigs This book is primarily focused on the post pandemic Gen Z and Millennial business opportunities most of which didn't even exist a generation ago *New Society*, 1988 **Computerworld**, 1975-11-12 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network *Infosystems*, 1982 **Computerworld**, 1981-03-16 For more than 40 years Computerworld has been the leading source of technology news and information for IT influencers worldwide Computerworld's award winning Web site Computerworld.com twice monthly publication focused conference series and custom research form the hub of the world's largest global IT media network *Cities and New Technologies* OECD Group on Urban Affairs, France.
