Building Findable Websites Aaron Walter, 2009-02-02 This is not another SEO book written for marketing professionals. Between these covers you'll find practical advice and examples for people who build websites aiming to reach their target audience. Each chapter will introduce you to best practices and fresh perspectives on how to accomplish these simple yet indispensable goals: Help more people find your site; Help users find content within your site; Encourage return visits. The path this book travels through the villages of Web standards, accessibility, and contemporary technologies like Ajax, APIs, Flash, and microformats. You'll find the big ideas behind these technologies and real-world examples illustrating that you don't have to compromise the user experience to create search engine friendly, findable websites. Although this book illuminates a broad range of findability strategies, one common theme pervades: Web standards, compelling content, improved findability, more successful sites. You'll find even more findability guidance on the book's companion website <http://buildingfindablewebsites.com> including 5 bonus chapters.

Publishing is Broken, but it Doesn't Have to Break Us Russell Nohelty, 2025-11-20 Publishing is broken, but it doesn't have to break you. In this candid, no-holds-barred guide, USA Today bestselling author and small press publisher Russell Nohelty reveals why the traditional publishing model is stacked against most writers and how to make the industry work for you. Drawing on decades of experience and dozens of successful book launches, Nohelty offers a blueprint for building your creative career without selling your soul or burning yourself out. You'll learn how to break free from tired industry myths, connect directly with the readers who love your work, jettison traditional gatekeepers, construct a sustainable creative life, and leverage simple tools and strategies that actually pay off without all the needless hustle. Whether you're a first-time writer or a seasoned pro, this book offers real-world strategies for breaking free of the status quo. Packed with straight talk, practical insights, and actionable advice, *Publishing Is Broken: Publishing But It Doesn't Have to Break Us* doesn't pretend there's a one-size-fits-all answer. Instead, it hands you the keys to design a publishing path that fits your goals, your schedule, and your sanity. If you're ready to build a thriving, bullshit-free writing career, this book will show you the way forward.
