critical introduction for those interested in what data science is and isn't and how it should be applied. The language is conversational and the content is accessible for readers without a quantitative or computational background but at the same time it is also a practical overview of the field for the more technical readers. The overarching goal is to demystify the field and teach the reader how to develop an analytical mindset instead of following recipes. The book takes the scientist's approach of focusing on asking the right question at every step as this is the single most important factor contributing to the success of a data science project. Upon finishing this book, the reader should be asking more questions than I have answered. This book is therefore a practicing scientist's approach to explaining data science through questions and examples.

[How to Get on Podcasts: Cultivate Your Following, Strengthen Your Message, and Grow as a Thought Leader through Podcast Guesting](#) Michelle Glogovac, 2024-02-27 How to leverage podcast guesting to elevate yourself as a thought leader, generate more revenue and promote your business all for little to no cost. The explosion of social media, AI-enabled online advertising and the overall cacophony of the internet has made it harder than ever to connect a message with an audience. One of the most powerful emerging tools for cutting through that noise is being a guest on podcasts or podcast guesting. Michelle Glogovac aka The Podcast Matchmaker™ knows the impact podcast guesting has on business and brand growth. She helps entrepreneurs, nonprofit leaders, activists, experts, and authors promote themselves, their businesses, organizations, stories, and expertise via podcast interviews. In *How to Get on Podcasts*, she teaches you how to create unique speaking topics without being generic. Define your ideal audience. Design branded media kits. Establish your expertise and knowledge. Share yourself freely without resorting to sales tactics. Tell compelling stories. Repurpose your interviews into evergreen marketing content. Turn every interview into a valuable business opportunity. There are more than two million podcasts out of which 500,000 host expert guests, a huge opportunity for leveraging a free and robust marketing tool if you have the know-how. With *How to Get on Podcasts*, you have everything you need to increase business, boost your career and brand, and elevate your thought leadership potential.
