After the Pandemic Randy Whitaker, 2022-10-10 Many things define a job seeker experience education first impressions connections passion and the value you might bring to the company you wish to work for For decades the perceived ideal candidate would have all of the above most of the above however a good candidate would have a four year college degree To a great extent an employer still would like someone with a four year college degree However I believe this is changing The need for those who work with their hands and those who are willing to work their way up through the various levels of an organization is becoming more and more desired by companies The time it will take you to earn your degree you could be making a nice living and will have accrued zero debt in the process Plus after working in an industry of your choice something you do have an interest in even a passion for you may be on equal footing with a newly hired college grad based on the four years you have been working in

your industry of choice as you continue to work your way up through the company You will find the more value you bring to a company the more they will look to you to assume great responsibility Typically the more responsibility the greater the paycheck What makes this book timely is the fact as COVID 19 winds down we are seeing many labor shortages in many areas and industries Now is the absolute best time to go to an industry experiencing a labor shortage or enter one of the numerous industries researched in this book and get yourself the job you always wanted without the cost and time involved with getting a four year college education I have nothing against getting a degree and there are still many fields where they will always be mandatory however the trades service industries government railroads law enforcement plus many others will welcome you with open arms without the need for a four year degree I hope this book helps *The World Is Your Office* Prithwiraj Choudhury,2025-04-22 A research based deep dive into a growing phenomenon companies allowing employees to work from anywhere and how those who adopt this model can boost talent innovation and productivity As the debate around remote versus in office work rages on leaders in a wide range of industries continue to implement radically flexible work practices allowing most if not all of their employees to work from anywhere Why They understand that geographic flexibility offers a competitive advantage the ability to attract and retain top talent globally In *The World Is Your Office* Harvard Business School professor Prithwiraj Choudhury who has been studying this phenomenon for over a decade takes readers inside the trailblazing companies that are going all in on work from anywhere WFA policies From startups and nonprofits to government agencies and large corporations Choudhury s research shows why and how these organizations and their employees are benefiting Drawing insights from this pioneering research Choudhury also provides an extensive playbook for implementing successful WFA policies offering leaders concrete strategies to Use WFA as a means of hiring and retaining the best talent Effectively manage WFA teams share knowledge and combat isolation Leverage AI and automation to extend WFA into manufacturing and other deskless roles Design programs that attract talent to different regions Filled with actionable insights and extensive case studies *The World Is Your Office* empowers leaders to embrace the future of work *The Anti-Ableist Manifesto* Tiffany Yu,2024-10-08 I defy anyone who reads this powerful and urgently needed manifesto not to be galvanised into action Sophie Morgan TV host and author of *Driving Forwards* A call to arms not just for the disabled community but for every single one of us Dr Shani Dhanda broadcaster and author An actionable antidote to fear and misconceptions Service95 In *The Anti Ableist Manifesto* Tiffany Yu highlights the myriad ways in which our society discriminates against people with disabilities and what we can do about it Foregrounding disabled identities that have too often been rendered invisible she demonstrates how ending discrimination begins with self reflection From recognising biases to understanding microaggressions *The Anti Ableist Manifesto* teaches us how to deconstruct ableism at work in our communities and within ourselves Featuring a foreword by Dr Shani Dhanda as well as contributions from disability advocates entrepreneurs and more *The Anti Ableist Manifesto* is an essential guide to going beyond mere awareness and

becoming actively anti ableist Handbook of Anthropology in Business Rita M Denny,Patricia L Sunderland,2016-06-16 In recent years announcements of the birth of business anthropology have ricocheted around the globe The first major reference work on this field the Handbook of Anthropology in Business is a creative production of more than 60 international scholar practitioners working in universities and corporate settings from high tech to health care Offering broad coverage of theory and practice around the world chapters demonstrate the vibrant tensions and innovation that emerge in intersections between anthropology and business and between corporate worlds and the lives of individual scholar practitioners Breaking from standard attempts to define scholarly fields as products of fixed consensus the authors reveal an evolving mosaic of engagement and innovation offering a paradigm for understanding anthropology in business for years to come
