Originally my profile was boring and not well targeted. Because of this I didn't get any value from LinkedIn. That all changed after I spent the time to go through each section adding, editing, and removing until I had a great profile. Within a week I received an email out of the blue for a ghostwriting project. Richard I'm looking for a ghost writer with some business and or IT background. Your profile stood out to me. He was pre-sold on my services and we quickly signed a contract and not a small one to write his new book. Over the following year by putting the concepts in this book to work I received dozens of similar queries and over 50% of them resulted in signed contracts for paying jobs.
