Working It: Disruption Rules Greg Hutchins,2019-09 Are you Future Ready McKinsey the global consulting firm estimates that between the present and 2030 75 to 375 million workers need to switch jobs that will require new skills and new education just due to automation and tech disruption In terms of magnitude it s akin to coping with the large scale shift from agricultural work to manufacturing that occurred in the early 20th century in North America and Europe and more recently in China But in terms of who must find new jobs we are moving into uncharted territory Those earlier workforce transformations took place over many decades allowing older workers to retire and new entrants to the

workforce to transition to the growing industries But the speed of change today is potentially faster The task confronting every economy particularly advanced economies will likely be to retrain and redeploy tens of millions of midcareer middle age workers In this book we explore the Future of Work and how it s going to affect all of us in critical ways We look at Disruption Rules through the lens of paradigm shifts disruptive forces and VUCA Volatility Uncertainty Complexity Ambiguity We look at what causes these changes why it matters to you the reader how it impacts you and most importantly what you can learn and do as a result of these disruptions The main title of this book is Working It As the title implies Working It can be what you do to earn a living or what you do to have fun or how you live your life In other words Working It is all the stuff you do that have meaning and value for you So when you go through this book you ll notice that many of the stories go beyond what you do at the place that provides you income We focus on the meaning and things that are important to your Working It Disruption Rules When there s a disruption most of us find a job or career book to find answers and encouragement Most old school job books provide life career or job road maps Follow these steps and you ll get to where you want to be If you believe these principles and follow these practices you ll find a satisfying job and enjoy a substantial salary with guaranteed yearly increases In this book we want to get real provide insights and tell it like it is The Future of Work impacts people on a daily basis since it deals with our human needs wants and expectations The Future of Work is now So we d say that the Future of Work is important and relevant to the vast majority of people worldwide [Social Media for Strategic Communication](#) Karen Freberg,2018-07-13 At last a book that covers social media strategy in a practical timely way that will help guide our students as they transition to the professional world Gina Baleria San Francisco State University Social Media for Strategic Communication Creative Strategies and Research Based Applications teaches students the skills and principles needed to use social media in persuasive communication campaigns The book combines cutting edge research with practical on the ground instruction to prepare students for the real world challenges they ll face in the workplace The text addresses the influence of social media technologies strategies actions and the strategic mindset needed by social media professionals today By focusing on strategic thinking and awareness it gives students the tools they need to adapt what they learn to new platforms and technologies that may emerge in the future A broad focus on strategic communication from PR advertising and marketing to non profit advocacy gives students a broad base of knowledge that will serve them wherever their careers may lead Visit the author s blog at <http://karenfreberg.com> blog to get tips for teaching the course industry related news more The free open access Student Study site at study.sagepub.com/freberg features carefully selected video links flashcards social media accounts to follow and more Instructors sign in at study.sagepub.com/freberg for additional resources **LinkedIn for Personal Branding** Sandra Long,2016-09-15 Your online presence matters more than ever in today s global workplace Professionals are logging in to LinkedIn in record numbers so your profile needs to represent you in the best possible light before and after a meeting or interview LinkedIn For Personal Branding The Ultimate Guide is the
