The Internet has opened up many freelance opportunities expanded available markets and has contributed to service sector growth in many economies Offshore outsourcing online outsourcing and crowdsourcing are heavily reliant on the Internet to provide economical access to remote workers and frequently leverage technology to manage workflow to and from the employer Much computer freelance work is being outsourced to developing countries outside the United States and Europe Freelance marketplaces provide a marketplace for freelancers and buyers Service providers or sellers create a profile where they include a description of the services they offer examples of their work and in some cases information about their rates Buyers register and complete a

basic profile and then post projects outlining their requirements Buyers will then bid for these projects on a fixed price or hourly basis 29 Many of these websites have user review sections that affect the reputation of freelancers who list there and which may be manipulated Freelance marketplaces have globalized competition for some jobs allowing workers in high and low income countries to compete with one another According to a 2016 study by the McKinsey Global Institute 15% of independent workers used online marketplaces to find work These marketplaces including Fiverr and Lyft have been criticized as exploiting workers Top 10 paying survey sites How to earn money online in India How to earn money online without paying anything How to earn money online without investment How to earn money online with Google How to earn money online in India for students How to earn money online without investment for students How to make money online for beginners How to earn money online Philippines Top 10 paying survey sites Make money online now How to make money online for free How to earn money online in India How to make money online for beginners Make money online with Google How to earn money online without investment How to make money online in Nigeria How to make money online without paying anything Top 10 paying survey sites Earn money app How to earn money online without investment How to earn money online in India How to earn money online with Google How to earn money from home How to earn money online without investment for students How to earn money online without paying anything How to earn money from home without any investment

How To Work Remotely Jacqueline Jimenez, 2020-06-08 As an experienced remote worker for more than 7 years I know the frustration of working 60 hours a week Staying in hotels rooms eating dinner all by yourself in a restaurant and coming back to an empty hotel room while continue your homework for the remaining of the night until probably midnight Yes other co workers see you as the Wow I wish that I had your job I am saying No you don t want to have my job You get to sleep in your own bed every single night You get to be with your significant other every night while I am all alone in a hotel room working until midnight in order to catch up with the office checklist that the job requires me to complete I am doing the job of 2 employees and getting the pay of 1 person I am blessed to have a job that has so called flexible job schedule The flexible job schedule is that if I don t want to stay in a hotel on a Sunday night I get to go to the airport and start my day at 4 30 a m to be able to get into the first flight to get me to Tampa or other destination in order to start my workday at around 9 00 a m with 4 different people that are waiting for me to get to that location In my job as a remote worker we have another 13 people doing the exact same job but with different territories all over the United States We had 1 Supervisor and that Supervisor had another Supervisor that she was reporting to as well We had 2 Trust Associates in 2 separate locations that were assisting all of the 14 Trust Officers that were working remotely for the majority of their week When you were not traveling you were expected to be at your office Let s say that I got home at around 11 30 p m I was expected to be back in the office the next morning at around 8 30 a m but my schedule was to start around 9 30 a m and most of the days I will be in the office until around 6 00 or 6 30 p m I had a young supervisor that had no clue that most of

her subordinates were not going to their respective offices but they were all working from home She believed that they were going to their local office but that was not the case After almost 2 years of harassment hostility terrible relationship and communication with that young supervisor I lost my job of 22 years with that company I was in that job for 7 years with no complaints from any other team members and or customers The young supervisor decided that she was going to micromanaged me to death My story was that I ended up on a disability leave for 6 weeks since my working environment was totally toxic After losing my job God had opened so many opportunities for me that I am truly blessed to be able to share my story with you today As we are living in an environment that most supervisors need to learn soft skills compassion empathy vulnerability and how to deal with communicating with employees that are working remotely I decided that I was going to write an Ebook about my history to share with everyone God Blessed you and keep up your faith and your dedication even when you are working in a toxic environment God is always there with you even when you feel that you are all alone He knows of all of your struggles and he will compensate you in ways that will create miracles in your life Thank you for purchasing this E book Pass it one to someone that needs to hear this story Hugs and kisses from South Florida Coach Jacqueline Jimenez
